

Thanks to all students who have been wearing their badges every day!! We know this is a bit of a change, but we appreciate your understanding and compliance as we move forward. Remember, all students are always required to wear a school lanyard and badge. The lanyard must be the CHS

Lanyard provided. Additionally, the lanyard and badge must be worn around the neck. If students lose or forget their badge, they can get a temporary badge in the office. A \$10 fee will be added to the student's account (\$5 to replace the temporary badge, and \$5 to replace the student's new badge.) If the temporary badge is returned before school starts the following day, the fee will be removed. Again, we appreciate all students making these adjustments. We truly have the most AWESOME students!!!"
