

Dear Colleagues,

We offer these resources to spark conversation and innovation in 15 minutes or less. These “sparks” can be used as food for thought or to engage in meaningful dialogue among peers.

September’s Topic: Integrity in Leadership

Description: Integrity connotes a deep commitment to do the right thing for the right reason, regardless of the circumstances. Integrity, as defined by the dictionary, is “the quality of being honest or having strong moral principles.” People with integrity are generally known to be trustworthy, honest, and kind. This is a quality that everyone, especially leaders, should strive for.
