

Spring Branch ISD
Inspiring minds. Shaping lives.

SPECIAL NOTICE

August 28, 2019

Dear MDE Parents,

The mission at MDE is to ensure high levels of learning for all students. To help us achieve this goal, MDE will have three additional Early Release Days, occurring on:

- Wednesday, September 25, 2019
- Wednesday, December 4, 2019
- Wednesday, February 26, 2020

Early Release Days are approved by the District. The purpose of these days is for staff in-service training and professional collaboration to better prepare instructional experiences for our children. We will have District instructional support on these days to guide our learning journey. Our focus will be on literacy and mathematics.

I am so proud of our teachers! We are building a culture of learning together. We know that “Professional learning communities operate under the assumption that the key to improved learning for students is job-embedded learning for educators” (DuFour, DuFour, Eaker, Many, & Mattos, 2016).

We believe that we act as guardians of potential for Every Child and in futures yet unseen. Our Moral Compass compels us to find our Limitless Curiosity within Every Child.

We are SBISD Proud. Together WE Rise!

Sincerely,
