A Note From The Teachers

Hello second grade parents! We are excited for a wonderful school year. We know many of you are eager to help your student. One of the best ways you can do this is to read with them! Research shows that 20 minutes of reading every night promotes growth!

A Peek At What We Are Learning

Reading

We are working on learning to read and respond to text independently.

Writing

We are beginning writer's workshop.

Math

We are focusing on place value and understanding how to build, represent, and write numbers up to 1,200.

Science

We are learning to make observations of matter.

Social Studies

We are learning how to be a good citizen.
