

MEMORANDUM

TO: Board of Education
Craig Carter, Business Administrator
Gary R. Payne, A.I.A., Administrator of Facilities Management and Planning

FROM: Bryan J. Turner, A.I.A., Director of Architectural/Construction Services

DATE: September 3, 2019

SUBJECT: South Clearfield Elementary School Rebuild Cm/Gc Selection

Proposals from four different construction companies were evaluated by the Professional Services Selection Committee for construction manager/general contractor services for the South Clearfield Elementary Rebuild project. Firms were scored based on their qualifications, experience, management plans, interview, and fee proposals.

We recommend the Board of Education award the highest scoring contractor for the South Clearfield Elementary Rebuild project to:

Hogan & Associates Construction

The District has worked with Hogan & Associates Construction many times in the past and is a proven Davis County company.
