Welcome!

FASNY After-School is back this fall with ambitious goals that perfectly reflects its mission which is to:

- Serve a growing portion of FASNY families where both parents work, by offering safe, fun, affordable and flexible childcare solutions before and after the school day but also during the school breaks.
- Expand the bilingual experience outside of the classroom, giving our students more opportunities to use the target language doing something they really enjoy. That emotional dimension to language acquisition is sometimes key to getting them on board and helping them see the relevance of the educational project that we, parents, have for them. Yes, model-making in French or the cool science club in English can make a difference!
- Offer students and now parents (we have adult classes) more social opportunities to know each other, the teachers and to interact outside of the classroom in French and in English.

With new classes, a variety of clubs and enrollment options, ranging from semester-long to on an as-needed basis, we are sure these fall and winter offerings will meet your family's needs.

We are looking forward to another fun and fulfilling After-School session, in French and English.

Kelly Goldstein

Bienvenue!

C'est aussi la rentrée pour les programmes extrascolaires de la FASNY qui reviennent cet automne avec un programme ambitieux qui reflète bien sa mission :

- Offrir aux parents des solutions de garde, attractives en coût et en qualité mais aussi flexibles, avant et après l'école mais aussi pendant les vacances scolaires.
- Prolonger l'expérience bilingue unique de la FASNY après que l'école soit finie en donnant aux élèves l'opportunité d'utiliser la langue cible dans des activités ludiques, qui leur plaisent. Participer à un club de science, d'échecs ou de sports en anglais peut faire la différence !
- Offrir aux élèves et aussi à vous parents (avec des classes pour adultes) un espace autre que la salle de classe pour se faire des amis et interagir en anglais ou en français.

Voilà notre ambition pour cette année ! Nous espérons que la variété des programmes de cet automne ainsi que les nombreuses options d'inscription répondront à vos attentes et à celles de votre(s) enfant(s).

Bonne rentrée bilingue !
