

## COLLEGE PROFILE 2019-2020

Parish Episcopal School is a leading college preparatory school serving 1,158 students in PreK through 12th grade. Our Upper School houses 438 students including 114 seniors, 103 juniors, 111 sophomores, and 110 freshmen.

### MISSION STATEMENT

Inspired by our values of Wisdom, Honor and Service, Parish Episcopal School's inclusive Episcopal community guides young people to become creative learners and bold leaders prepared to impact our complex global society.

### DIVERSITY STATEMENT

As a school founded on the values of Wisdom, Honor and Service, Parish Episcopal School believes that embracing our inclusive community facilitates our social, spiritual, and intellectual growth, and drives excellence in teaching and learning. We empower our students to be authentic and prepare them to lead by demonstrating knowledge of and respect for the rich variety of people and points of view that exist in our complex global society.

**Academy of Global Studies (AGS)** offers students a tailored, four-year, research-oriented approach to global studies. AGS is a rigorous, outcomes-based academic program which complements both our AP and college preparatory paths. The experience is comprised of coursework, community service, co-curricular activities and a capstone project.

**The Leadership Institute** requires selected students to participate in coursework (three trimester electives), self-reflection and observation with a mentor, and the completion of a LEAD project. The LEAD Project involves starting, building upon or moving a project in measureable terms.

**ParishBridge** is an opportunity for seniors to design personalized curricula in their third trimester. Incorporating interdisciplinary learning with real-world applications, the program requires five weeks of blended learning, 25 to 50 hours of professional experience, an online course of their selection, and life readiness seminars hosted on campus.

**ParishIMPACT** is a mindset program promoting habits of independence, personal responsibility, attentiveness, collaboration and tenacity. These habits are an integral part of daily education, establishing confidence in the development of the whole self.

**Academic Schedule** - The academic calendar is divided into trimesters. Core classes are 85 minutes and meet alternating days on a block schedule 36 weeks per school year.
