

The Haverford School
Haverford, PA 19041

Dear Parents:

August 2019

My Turn To Drive School is offering Driver's Education classes open to **The Haverford School** students this year. Students who complete this PA Department of Education approved theory course will also be eligible to **test privately** for their driver's license with My Turn To Drive School after completing 6 hours of behind the wheel instruction. The upcoming theory course will consist of classroom sessions in defensive driving practices and techniques covering various types of driving environments and risk avoidance strategies. Students can enroll at the age of 15 and above, and your son does not need a driving permit in order to participate in the class.

The Fall 2019 class at The Haverford School will begin on Saturday, September 7th from 9am until 12 Noon in Upper School classroom #5 and will continue on the following Saturdays: 9/14, 9/21, 9/28, 10/5, 10/12, 10/19, 10/26, 11/2 and ending on 11/9.

The Winter 2020 class at The Haverford School will begin on Saturday, January 11th from 9am until 12 Noon in Upper School classroom #5 and will continue on the following Saturdays 1/18, 1/25, 2/1, 2/8, 2/22, 2/29, 3/7, 3/14 ending on 3/21.

My Turn to Drive School specializes in teaching young teenage novice drivers. The school has been operating in Montgomery County for over 15 years. All instructors are college graduates, experienced, and fully certified and licensed by the Pennsylvania Department of Education to teach the Defensive Driving highway safety course. For students, unable to attend the classroom sessions due to other commitments, My Turn To Drive School offers the PA state approved online course called <http://www.PADriversEd.com>

There are three major reasons for offering this defensive driving course. First, the development of the proper attitude toward defensive driving is a most important trait to instill in a young driver. Second, if your teenager **successfully completes our accredited driver training course you may save up to 15% on yearly insurance premiums up to 21 years of age.** Third, students may be eligible to obtain a senior license at age 17 1/2, instead of age 18, if parental permission is obtained, and all requirements are met.

The fee for the classroom instruction is \$225.00 and includes all classroom materials. If you would like to enroll your son/daughter in the upcoming session, **please fill in, detach, and return the application below with a tuition check in the amount of \$225.00 payable to My Turn to Drive School.** MAIL TO: MY TURN TO DRIVE SCHOOL, PO Box 392, Ardmore, PA 19003.

If you plan to permit your teenager to drive the family car or one of their own, this course offers the peace of mind that you have provided the best learning opportunity for driving defensively. Our chief concern is not the dollars saved on lower insurance rates, but rather the accidents, injuries, and even deaths, which may be averted by proper training and learning good decision-making skills. Please e-mail Scott Seibert at director@myturntodriveschool.com with any questions.
