People you should know and why...

- ✓ **Teachers:** TALK TO THEM! They will not know what is going on unless you tell them. Teachers work here because they care about students. If you have a problem in a class, go and talk to your teacher. They are your first line of defense! Best times to talk to teachers, besides during class: before or after school, or during tutorial. Or, email them to set up an appointment.
- ✓ **Counselors:** We are in our offices! In high school, we are available to meet with you before and after school, during lunch or tutorial with **NO APPOINTMENT NEEDED**.
- ✓ **Mr. Fenn** is the local expert on concurrent enrollment classes and the DATC! His office is located in the Counseling Center. His secretary, Mrs. Fessler, can also assist you.
- ✓ **College and military representatives** are here often during lunch and tutorial to help you and answer all of your questions. Talk to them and utilize their knowledge to help you get where you want to be in the future!
