

# MEMO

Date: 11/05/18  
To: All Jr. High School Principals, Jr. High Assistant Principals, Health, FACS, and Science Teachers  
From: Tim Best  
RE: Approved Materials and Guest Speakers

---

Attached is the updated list of approved guest speakers and respective materials for instructional courses, unit, class activity or information given to students about sexual abstinence, human reproduction, reproductive anatomy, physiology, pregnancy, marriage, childbirth, parenthood, contraception, or HIV/AIDS, and other sexually transmitted diseases. While these topics are most likely discussed in such courses as health education health occupations, human biology, physiology, parenting, adult roles, psychology, sociology, child development, and biology, these materials may be used in any course in which these topics are the focus of discussion. The attached rule is applicable to the same.

**Please only use those resources that have been approved and appear on the list. If you have a guest speaker or other material that you are currently using to present these topics, they must be approved prior to their instruction in the classroom.**

The Davis District Human Sexuality Curriculum Review Committee meets quarterly or as needed.

If you have questions or concerns, please feel free to call Tim Best, Healthy Lifestyles Director at 402-7850.

You may call Jayne Barkdull at 402-5101 if you have materials or guest speakers you wish to have added to the approval list.

State Office of Education

Rule R277-474.C

High School Instruction and Human Sexuality

FYI:

R277-474. School District Responsibilities.

C. Local school boards shall form curriculum materials review committees (committee) at the district or school level as follows:

- (1) The committee shall be organized consistent with R277-474-1B.
- (2) Each committee shall designate a chair.
- (3) The committee shall review and approve all guest speakers and guest presenters and their respective materials relating to human sexuality instruction in any course prior to their presentations.
- (4) The committee shall not authorize the use of any human sexuality instructional program not previously approved by the Board.
- (5) The district superintendent shall report educators who willfully violate the provisions of this rule to the Commission for investigation and possible discipline.
- (6) The district shall use the common parental notification form and comply with time lines approved by the Board.
- (7) Each district shall develop a logging and tracking system of parental and community complaints and comments resulting from student participation in human sexuality instruction, to include the disposition of the complaints, and provide that information to USOE upon request.

D. If a student is exempted from the course material required by the Board-approved Core Curriculum, the parent shall take responsibility, in cooperation with the teacher and the school, for the student learning the required course material consistent with Sections 53A-134-101.2 (1), (2), and (3).
