## Words from the Director

By Shelly Smith

It is official! I am pleased and honored to be the new director of WAY Flint. I have been a part of WAY Flint as a lab expert the past 3 years. As I transition into my new role, I will strive to be approachable and available to our WAY community. I look forward to a good school year with positive progress toward a successful future. I hope you will consider coming to Parents Night on September 10th at 6:00 pm to get to know me.

## New Morning Hours

Our morning session hours have changed this week. The morning session now runs from 8:00 to 11:30 each day. Please make the adjustment so that you are not late to school.

The afternoon session is still 12:30-4:00, but you no longer need to be dropped off at the back doors. Afternoon students may enter at the front of the building.
