A level/BTEC Choices

PLEASE LIST YOUR CHOSEN SUBJECTS IN ORDER OF PREFERENCE

Please note at this time you have a free choice.

Please do not choose more than 3 subjects (you can list fewer if you are unsure at this stage)

Only list subjects that you are sure about.

BTEC Sport counts as 2 choices. You will only need to select one other subject.

BTEC Information Technology counts as 1 choice. You will need to select two other subjects.

Further Mathematicians should list their 3 other A level choices (including Maths) in this section, and list Further Mathematics as their enrichment choice.

Enrichment Qualification Choices

Alongside your 3 A levels or 1 BTEC + 1 or 2 A level 'core', you will also choose an enrichment qualification to complete your sixth form programme.

When making your final choice, think carefully about which option will:

- Bring you most enjoyment?
- Play to your strengths, or allow you to develop new skills?
- Complement your A level choices?
- Be realistic for you in terms of difficulty and time commitment?

As with your A level choices, we will do our very best to match everyone's preferred choice of enrichment course. However, as it may not be possible to accommodate all combinations, please indicate 3 choices, in order of preference, in the table below.

Making your 'Thursday afternoon' choice

We would also like you to select which activity you would like to be involved in on a Thursday afternoon. Please number the options, in order of preference, in the table below.

| Thursday Afternoon Activity | Number in order of preference |
|---|-------------------------------|
| Community Action Programme | |
| CCF | |
| Work experience placement (to be organised independently) | |
| Supervised private study | |

Please return your completed form to Mr Donaldson no later than Friday 8th February.
