## Looking for a Few Good Parents!

Volunteers!!! Anyone???

We would love to get a Social Chair on board this year. You will not throw parties all year (unless you want to...). You find the party people already out there and help them organize fun parent and kid socials. I know there is someone out there for us!!! Come forward!!!

## Fundraising

Do your part and donate to the Booster Club fund today. It's for the children!! It's for the teachers!!! It's for us all!!!

## Sponsorship Time!

Being part of the CCE family - we take great pride in our school community! We are thankful for the generosity of our families to support our children on their educational journey and our teachers as they lead them into their futures!

We ask that you make your contribution today!
