

Carpool for Preschool & K - 8

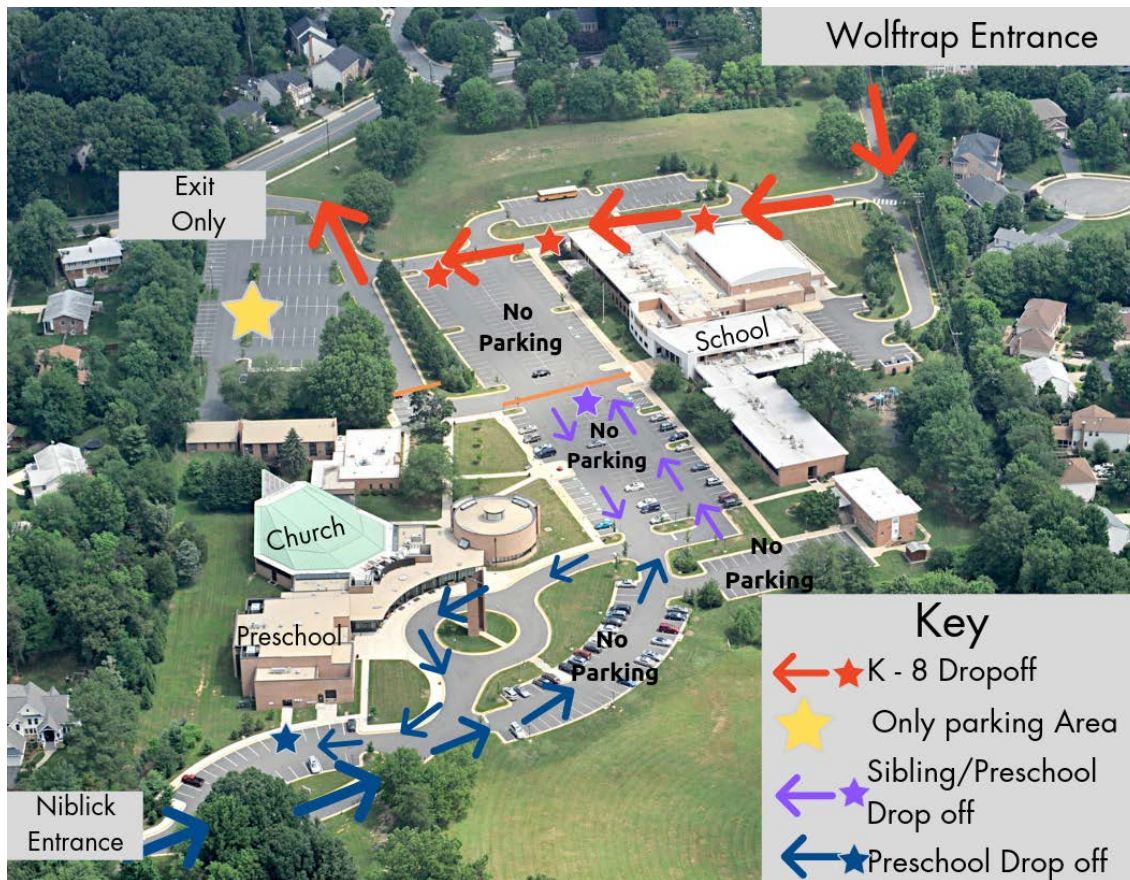

Morning Drop-off

Red arrows at the top indicate drop-off for “big school” K - 8 students from Wolftrap Road.

Preschool families should enter from Niblick Drive and follow the blue arrows on the diagram to bring students into Preschool. Please park in lower lot, if filled please park alongside the Church.

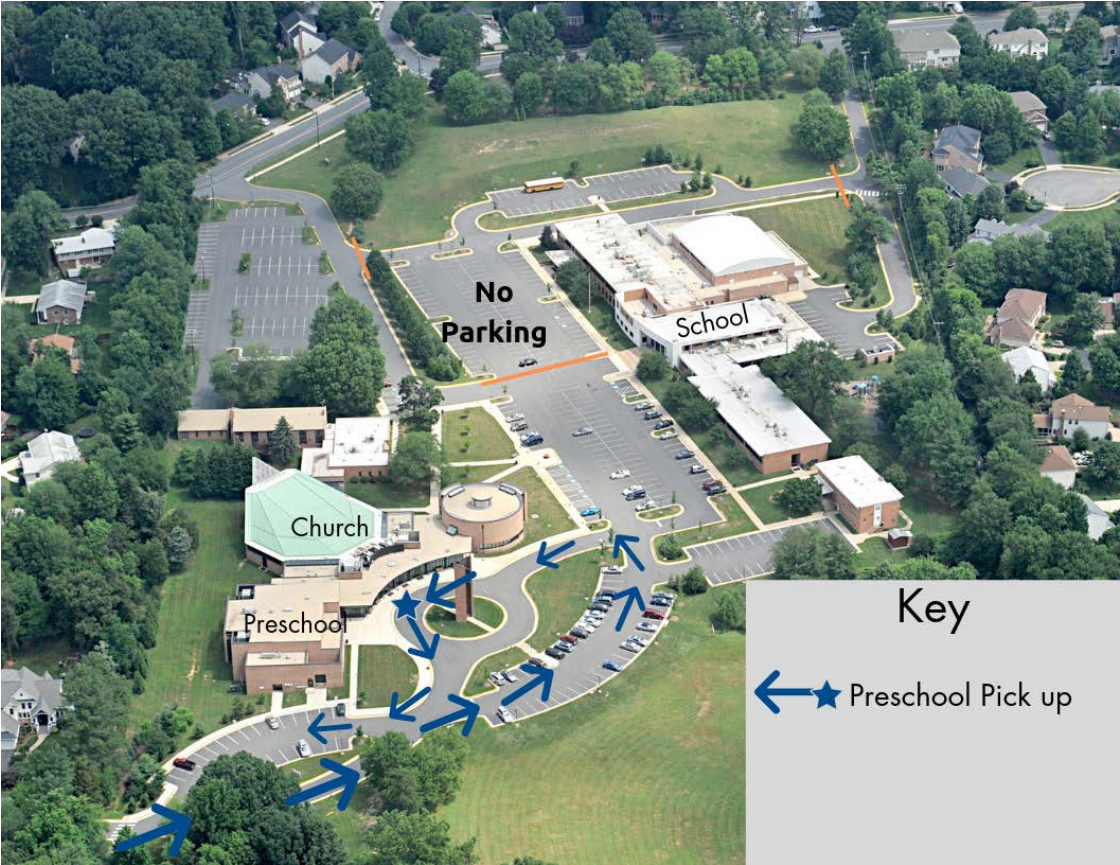

Purple arrows indicate drop-off of older siblings “big school” and re-entry into the Preschool drop-off line. Please do not pass cars during drop off stay in one line. Parents should have placards available in their windshield.

Please note there is only one area to park in the morning. Areas are blocked off for the safety of children.

Mid-day Traffic Pattern for Preschool Pickup:

Preschool parents who are picking children up in the middle of the day should plan to pick their child up from the lobby of DeSales Hall following the traffic pattern listed below.

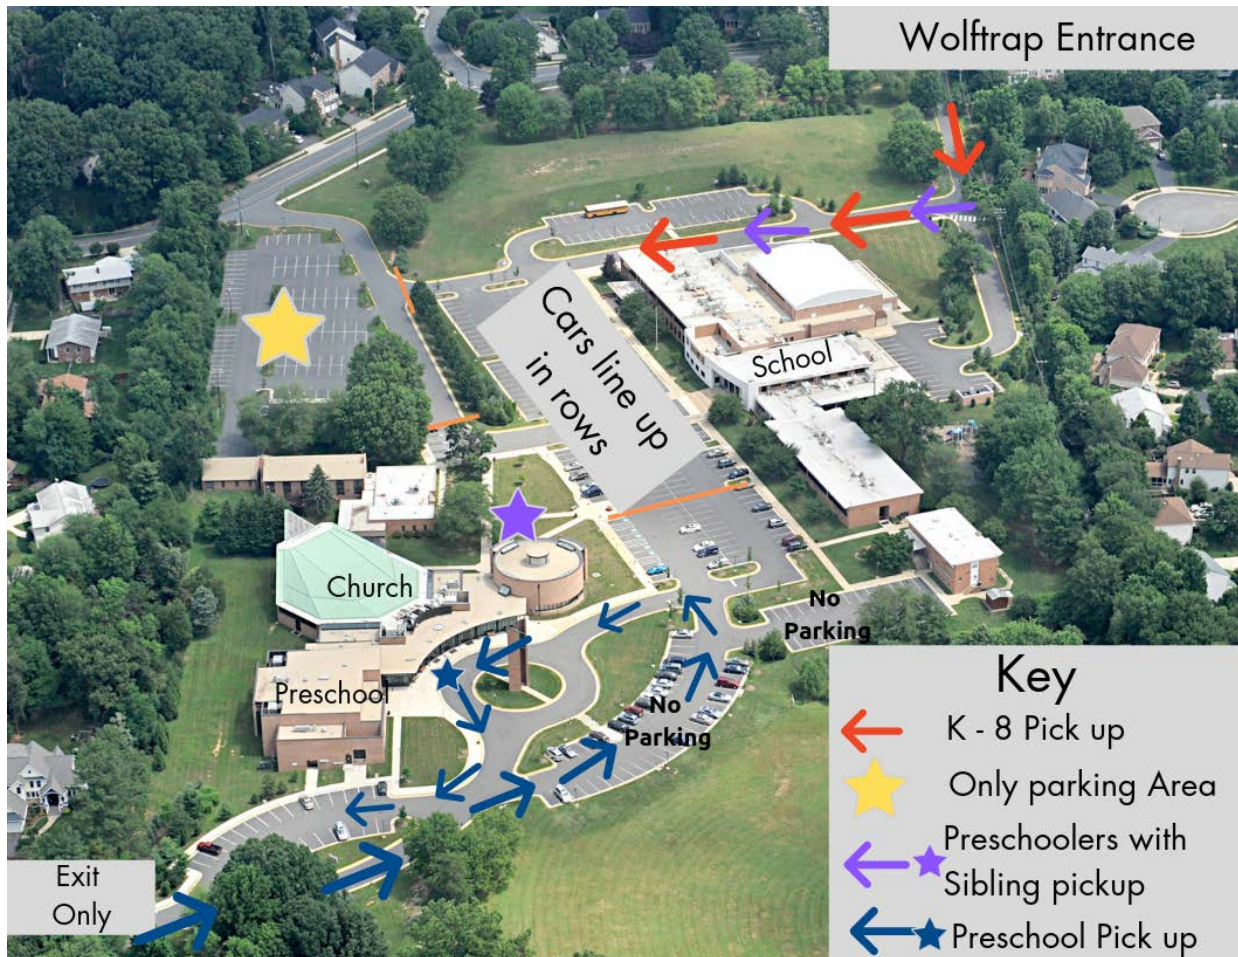

Full-day Traffic Pattern for Preschool Pickup:

Preschool parents with NO older siblings should follow the blue arrows to park and pick up their Preschool students.

Parents with children in both the preschool and the "big school" should follow the purple arrows for the K-8 afternoon carpool. Once parked in line, parents should walk to the area in front of the administration building to pickup their preschoolers at 2:45pm. Parents should hold their children's hands as they return to their cars or to wait for the older siblings.

During inclement weather teachers will stay with preschools inside the narthex until you walk up to the sidewalk and we see you.

Preschool Extended Day Pick-up:

Parents should park and walk inside to pick up their children.
