

BLOOMFIELD HILLS HIGH SCHOOL Curriculum Night

September 16, 2019 • 7:00 – 9:00 PM

Welcome

Welcome to Curriculum Night! We especially extend a big BHHS welcome to our families of the Class of 2023 and new families to our district! The purpose of Curriculum Night is for families to meet teachers and get an overview of curricular goals and objectives for each class. Curriculum Night is designed for parents/guardians so your student does not need to attend.

Reminders Before You Arrive

Please print out your student's schedule from MiStar Parent Portal to identify classroom teachers and locations. Allow extra time for parking as we will be using all available parking to accommodate families.

Schedule

Families will follow their student's schedule for the evening. We kindly ask you keep interactions brief with our teachers as they have many families to meet and greet. Families will NOT be going to the Advisory hour as part of the evening class schedule. The Farm and Nature Center classes will meet in the Media Center.

There will be an ESL Open House in the Knowledge Market from 6:00 p.m.-7:00 p.m. and an IB Diploma Program (DP) kick-off meeting for current DP 11th and 12th grade parents from 6:30-7:00 p.m.
