OUR GENERAL RULE:

You should not be a member of this team if you do not have high expectations for yourself. We, too, have very high expectations for you. The tradition that you are being asked to uphold here is the same tradition that your predecessors have worked so hard to create. How you choose to conduct yourself, both publicly and privately, will reflect on your family, your teammates, your coaches, and the entire community.

As a student-athlete, you must conduct yourself in accordance with team policies and the school district's student code of conduct. In this player's manual, we will attempt to introduce you to a number of these regulations. However, this manual is not intended to be all-inclusive in its scope.

You are expected to represent the athletic program in a positive manner on campus and in the community. We will work extremely hard to create a **FIRST CLASS PROGRAM** that the student, faculty and the community are proud of. Any deviation from this will not be tolerated.

TEAM POLICIES:

- Do not get involved with or do anything that would embarrass the other members or coaches of this athletic program. I will expect the coaches to do the same. This includes non-school hours; everything you do is a reflection on our Program.
- Habitual Academic problems are subject to removal from the Athletic Program.
- For students to participate in Athletics and to be on an in season team, They must be in good academic standing, no current history of discipline problems, and have been in the off season program prior to the upcoming season.

THE CHAMPIONS WAY

I, _____, UNDERSTAND THAT I REPRESENT THE ATHLETIC PROGRAM IN EVERY ENDEAVOR I UNDERTAKE. THEREFORE, I GIVE MY WORD THAT I WILL DO MY UTMOST TO TAKE CARE OF MY TEAMMATES IN THE FOLLOWING AREAS:

- 1. HUSTLE:** Show your pride by hustling and giving great effort in everything you do. Hustle to class, hustle to workouts, show your desire with action and not talk. Seeing you giving great effort says it all.
- 2. SHOW COURAGE:** Be courageous by working when you're tired or continuing to give great effort and having a positive attitude in times of adversity. It takes courage to take care of your business and do what is right all the time. It takes courage to lead by example and be able to get up and go again after you have been knocked down.
- 3. KNOW YOUR ASSIGNMENTS:** Confidence comes from knowing what to do in class or on the field/court. Do the "little things" correctly; focus on the details and being coachable.
- 4. CARE ABOUT WINNING:** Put the team's success ahead of your personal desires. The more success WE have, the more individual recognition you will receive for your contributions. Don't worry about your position or about who gets the score or how much you play; Instead, strive to make every effort to help US succeed. It's not about you ... IT'S ABOUT TEAM.
- 5. BE LOYAL:** Loyalty is always to the team, not always to members of the team. Wear the school colors proudly. Be a supporter of your teammates. Make a commitment - BE A CHAMPION!
