

Friday Fun Night--Code of Conduct

Jewel Middle School PTO's Friday Fun Night is intended to be a safe, fun and comfortable event for our 4th and 5th grade participants. We expect our participants to abide by our code of conduct and will contact a child's parent/guardian if there are any concerns about their behavior. Please read the following guidelines; both parent and child must sign and turn in with the registration form and event waiver.

While participating in Friday Fun Night at Jewel Middle School, I will...

- *Walk, not run throughout the building
- *Clean up after myself, including my trash after eating and after using supplies at the craft station
- *Use appropriate language when speaking to others
- *Take proper care of all equipment that I use while at FFN, including games, video games, karaoke, crafts and sports equipment
- *Show respect to everyone, including all other kids at FFN, and the adult chaperones
- *Inform an adult if I have a problem or need help

I have read the Friday Fun Night Code of Conduct and will follow the rules while I am at Jewel Middle School
