

UCare Community Education Discount

UCare will sponsor up to \$15 on most Community Education sessions for eligible UCare members at any participating school district across the state of Minnesota.

How does the Community Education Discount work?

1. Member provides their UCare member ID # during registration at the school district for a Community Education session.
2. Community Education program verifies eligibility by contacting 612-676-3351 or 1-866-243-5157 during the month the class will occur. Please provide the member ID # and full participant name spelled correctly.
3. Community Education provides member up to \$15 discount on session registration.
4. Community Education completes and submits the Community Education Discount Invoice form. Fax or mail completed forms to UCare.
5. Invoice only for sessions that have *already occurred*. No future discounts will be paid.
6. Invoices for each calendar year are due no later than December 31st.
7. UCare confirms member eligibility and reimburses Community Education for the eligible amount. Please allow 4-6 weeks for payment. A copy of the invoice arrives 1-2 weeks before the check payment.

The discount does not apply towards the following types of sessions:

- Alcohol related activities
- Gambling trips
- Any private lessons
- High risk activities (e.g., sky diving, rock climbing, etc.)

Frequently Asked Questions:

Q: Who's eligible? Are there limits on the number of session reimbursements a member can receive?

- Members on Medical Assistance (PMAP), MinnesotaCare, UCare Connect, UCare Connect+Medicare, MSC+ and MSHO receives an **unlimited** number of discounts per calendar year, up to a \$15 discount per class.
- Members on our Medicare Plans (formerly *UCare for Seniors*) receives a limit of **three** \$15 discounts per calendar year.
- Members on our Individual & Family Plans (formerly Choices/Fairview Choices) receives a limit of **three** \$15 discounts per calendar year.

Q: How much should Community Education bill UCare if the session fee is less than \$15?

A: If a session fee is less than \$15, please bill UCare for the amount of the session fee. The session would be free to the member.

Q: Can I batch my invoices to avoid sending UCare an invoice every month?

A: No, please send us an invoice every month. Some members (e.g. Medicare Plans) have limits on how many discounts they can use per calendar year. Timely receipt of your invoices allow us to keep an accurate record of members' usage.

Q: Can Community Education bill UCare for a future session?

A: No, UCare will only pay for sessions that have already occurred.

Q: Why does the reimbursement amount not equal the amount submitted on an invoice?

A: UCare will only reimburse for eligible members during the month of the session. To avoid providing a discount to non-UCare members, please check eligibility during the same month of the Community Education session. Eligibility checks do not guarantee payment.

Q: Is my district's Community Education program required to participate in UCare's discount program?

A: No, you may choose not to participate. If members contact you about our discount, please inform them that your program does not participate in UCare's discount program.
