

School Parental Involvement Policy

Della Icenhower Intermediate

Della Icenhower Intermediate School is committed to the education of the children in our community. We feel parent involvement is an essential piece in ensuring that our students are successful in school. We believe that when parents are more involved in the academic process, school becomes more of a priority for their children. We strive to maintain a good line of communication and to provide opportunities for parental involvement throughout each school year.

Title I regulations require that each school served under Title I jointly develop with and distribute to parents of participating children, a written parental involvement policy agreed on by the parents that describes the requirements outlined in Title I law.

A. POLICY INVOLVEMENT

- 1. *Hold Team meetings, at convenient times, to which all parents of participating children shall be invited and encouraged to attend, to inform parents of their school's participation under this part and to explain the requirements of this part, and the right of the parents to be involved:***
 - Our school holds Team Meetings by the end of August/beginning of September each school year to review with parents Title I School requirements and the school's Parent Involvement Policy. In addition, parents are given an update on school test data, adequate yearly progress status, and a review of the school's improvement plan.
- 2. *Offer a flexible number of meetings, such as meetings in the morning or evening, and may provide, with funds provided under this part, transportation, child care, or home visits, as such services relate to parental involvement:***
 - Parents are invited to participate in a variety of meetings and activities over the course of the school year. Ice Camp for incoming 5th graders and Schedule Pick Up for all 5th and 6th graders is held in August and a Spring Open house again in early February to provide parents the opportunity to formally visit their child's classroom to become better informed about grade level expectation and their student's academic progress. The contents of our school's parent resource center is advertised frequently throughout the school year to highlight the various books, pamphlets, and DVDs available for home use or on campus resource. The center also includes computers for parents to access Skyward and Google Classroom to monitor their child's progress. In order to meet the needs of our diverse group of parents, we have extended Library Hours throughout the year for parents to access our resources, ask questions, etc. Formal trainings and workshops scheduled throughout the year are guided by a parent input and survey data and vary in date and time. If transportation is a barrier for a parent to become involved in our school, the Administrative Team can make special arrangements to link that parent to needed resources and events.
 - Due to the hectic and varying schedules of our school families, efforts are made to provide training opportunities to parents via links on our school website making

information accessible 24/7.

- Parents will be invited to participate in our district-wide parent-teacher conference days that are offered in evening and early morning hours to discuss their child's progress. Teachers may receive parents in the morning, during the school day and/or afterschool to accommodate as many reciprocating parents as possible.

- Our school annually invites parents to participate in review and revision meetings to examine and discuss our School Improvement Plan and Parent Involvement Policy. The school's leadership team consistently reviews school policy in an organized, ongoing and timely way. An organized PTA has been established in our school to create a forum for parental input and involvement. Our PTA affiliation connects our school to parental involvement resources at the state and national level.

4. *Provide parents of participating children timely information about programs under this part; descriptions and explanation of the curriculum in use at the school, the forms of academic assessment used to measure student progress and the proficiency levels students are expected to meet; and if requested by parents, opportunities for regular meetings to formulate suggestions and to participate, as appropriate, in decisions relating to the education of their children, and respond to any suggestions as soon as practically possible:*

B. SHARED RESPONSIBILITIES FOR HIGH STUDENT ACADEMIC ACHIEVEMENT

As a component of the school-level parental involvement policy, each school shall jointly develop with parents for all children served under this part a school-parent compact that outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement:

- The education of a student is not only the responsibility of the teacher, but also of the parent and the child. For this reason, a Parent-Teacher---Student Compact has been developed and is utilized in our school. This document serves as an agreement between

all parties that they will adhere to certain duties and responsibilities to ensure the success of the student. It is reviewed and signed by all at the beginning of each school year. The signed compacts is kept by the teacher and used in student and parent conferences to remind each participant of their responsibilities. These compacts are also used to motivate students and parents to become more involved in the educational process and to let parents know that they are equal partners in their child's learning.

C. BUILDING CAPACITY FOR INVOLVEMENT

To ensure effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement, each school and local educational agency assisted under this part:

1. Shall provide assistance to the parents of children served by the school or local educational agency, as appropriate, in understanding such topics as the state's academic content standards and state student academic achievement standards, state and local academic assessments, the requirements of this part, and how to monitor a child's progress and work with educators to improve the achievement of their children:

- Our school will provide for this provision as stated in the Policy Involvement and Shared Responsibilities for High Student Achievement sections of this document.

2. Shall provide materials and training to help parents work with their children to improve their children's achievement, such as literacy training and using technology, as appropriate, to foster parental involvement:

- Our school will provide for this provision as stated in the Policy Involvement and Shared Responsibilities for High Student Achievement sections of this document.

3. Shall educate teachers, pupil services personnel, principals and other staff, with the assistance of parents, in the value and utility of contributions of parents, and in how to reach out to, communicate with, and work with parents as equal partners, implement and coordinate parent programs, and build ties between parents and the school:

- Faculty and staff members will be cognizant of educational research on parent involvement. Parental input will be solicited throughout the year in meetings, through surveys and during one-on-one conferences. Information derived will be utilized by the school's Administrative Team and Leadership Team to strengthen the tie between school and home for the purpose of increasing student achievement. The Leadership team, Process Champions, Student Council and PTA will take the lead in providing a multitude of opportunities for parents to become involved in our school over the course of the year in order to take full advantage of the benefits that come with active parent involvement.

4. Shall, to the extent feasible and appropriate, coordinate and integrate parent involvement programs and activities with community based early learning programs and conduct other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children:

- Our Administrative/Leadership teams along with Process Champions will work on bridging a strong relationship between home and school. Our Library houses resources and references for parents. Fieldtrips, Information Nights and on campus activities are

plentiful throughout the year and parents are encouraged to attend these events as often as possible.

5. *Shall ensure that information related to school and parent programs, meetings and other activities is sent to the parents of participating children in a format and, to extent practicable, in a language parents can understand:*

- Information is communicated in a variety of different ways to our parents. We use Skyward Blasts, Google Classroom, School Website, Team Websites, Student Planner, Weekly Campus Newsletter, Teacher/Team/Department Newsletters, Twitter, Facebook, School-Wide Remind, Team and Teacher Reminds, publications printed to go home, phone calls, notes home, etc.

D. Parents of all students, regardless of English proficiency, mobility or disability, are considered to be an important part of our learning community. All parents are afforded the opportunity to be involved in their child's school environment. For this reason, if a special need is identified that would help a parent to more fully understand the educational process and the academic progress of his/her child, assistance will be provided to that parent. This type support often comes in the form of interpreted school documents in a parent's primary language, having an interpreter on hand to translate important information at school wide meetings and events, working with an interpreter to provide translation in parent/teacher conferences, making available parent resource in our center that are in English and Spanish, participating in faculty and staff training to better understand the culture of the students served, providing easier accessibility to parents and/or students with disabilities, etc.
