Junior/Senior
Approved Christian Service
Agencies

Dear Juniors and Seniors,

In this booklet, you will find a list of agencies which are of the kind currently approved as placements for seniors and through which you may satisfy your service requirements. If you are interested in an agency that is not on the list, please complete a “New Agency Request Form,” which can be found on the Prep website, and submit it to your theology teacher for review.

All agencies on this list will provide you with opportunities to build relationships with people throughout the state of CT who are less privileged than most of us. These agencies allow you to do this by providing you with unique experiences on a weekly basis. Please take your service seriously! Odds are... you will find that *you* benefit more, or as much, from your service than the people you are actually serving.

When contacting these agencies please be aware that supervisors and other information as provided may change at any time without direct notice to Fairfield Prep. If the supervisor listed is no longer there, please ask to speak with the person who coordinates volunteers . . . and *please notify the Christian Service Office as to any other corrections that you may discover need to be made so that we can update our information for future students.*

Good luck and have fun!

Ms. Woodworth
Director of Christian Service
