

Stratford High School Additions and Renovations

PAT Meeting No. 07

Spring Branch Independent School District \\ Houston, Texas \\ August 21st, 2019

PAT Meeting #07 (3:15pm to 4:45pm)

- Project Recap
- Architectural Process
- Guiding Principles
- Priorities
- New Auditorium Layout
- Auditorium Acoustical Design
- New Auditorium Exterior Development
- New Auditorium Interior Development
- Priority Layouts
- PAT Review
- Next Steps
- Meeting Adjourned at 4:45pm

Project Recap

PAT 01

02-28-2019

- Fact Finding Review
- Gather Data
- Establish Guiding Principles

PAT 02

03-18-2019

- Floor Plan improvements
- Auditorium plan review
- Site Improvements

PAT 03

04-03-2019

- Refine Layout Options
- Acoustical consultant

PAT 04

04-25-2019

- Refine Auditorium Layout Options
- Volumetric exterior concepts

PAT 05

05-16-2019

- Refine Layout Options
- Review Exterior Design

PAT 06

06-27-2019

- Review Overall Design
- June 27th

PAT 07

08-21-2019

- Review Overall Design
- Review Finishes

PAT 08

09-04-2019

- Review Overall Design
- Review Finishes

S U M M E R B R E A K

Goal

The goal of the PAT is to ensure that parents, staff and community members have the opportunity to take part in the planning and design of new schools. The PAT members will **serve as communicators** to and from the community during the schematic design and development phases of the project and participate in discussions that will lead to recommendations. The PAT concludes its work once construction begins.

Charge

Each Project Advisory Team's (PAT) members are charged with **providing input into planning and design development** for their school's new construction or major renovation project in the 2017 Bond Program. The PAT will meet as needed throughout the project, from initial planning, through design to the start of construction. Meeting agendas and minutes will be posted on the school's bond project website.

- **New 1,000 seat Auditorium**
- **Mechanical/ HVAC System Upgrades;** for better comfort control in hallways and classrooms
- **Exterior/ Interior Upgrades:**
 - Safety and security (fire alarms, burglar and access control)
 - Meet Education Specifications (replacement of student furniture, evaluate lighting, door hardware, flooring)
 - Exterior power wash, building envelope
- **Site Improvements** (Safety lighting and parking pavement)
- **Roof Systems;** replacement
- **Athletic Upgrades;** (Resurface track, tennis courts, & field refurbishment. Upgrades will be addressed as needed)

- Involved **Community**
- School is a **Community** hub
- No meeting spaces on campus
- Desire **Openness**
- **Way-finding** is not organized
- No **open** look and feel
- Remove lockers
- Balance **true needs** of SHS

Meeting Minutes

Project Name: Stratford High School Renovations
Project Number: 18148
Owner: Spring Branch ISD
Meeting Description: SHS - Meeting with Principal #1

Meeting Date and Time:
Meeting Location: Stratford HS
Owner's Designated Representative: Kris Drosche
Report Date and Author: 11/15/2018 Max Buja

1. Representatives from Campus: Principal, Social Studies, Science Representatives, & Foreign Language.
2. Travis outlined bond program and anticipated project scope. Refurbish, renovate, and replace particular items.
3. Replacement parking lot lighting (former solar lighting).
4. Major roof replacement project.
5. New classroom and teacher furniture (by separate project).
6. Turf athletic field (by PBK within project).
7. Athletic improvement budget (set aside for improvements now or in future).
8. New auditorium, possibly in location of existing auditorium or going in similar location.
9. Rusty Hess and SHS Fine Arts Group to be engaged about design process.
10. Design parameter for considerations: Detention, Displaced Parking.
11. Involved community – parent involvement is high.
12. Stratford Playhouse is popular and successful component.
13. Music and Fine Arts programs are popular.
14. Students ride bus to Guthrie.
15. Safety & Security there needs to be a way to work hand in hand with a very active campus.
16. The "back" of the school is the "front" and most activity (kid traffic) comes from back parking lots.
17. Front is for visitors.
18. School is a community hub. Constant activities on campus.
19. No meeting spaces on campus; one small conference room (10 people), the auditorium, and the library (the only in-between space). Mid-sized groups 15-20 people will need to go to library. This type of space would be desired by campus for LGI flexible usage.
20. Library gets "shut down" from students commonly for group meetings, testing, etc.
21. Idea suggested to convert auditorium to LGI and constructing auditorium in alternate location on site.
22. Desire to incorporate LGI space and flexible use.
23. SHS has a bit of an identity crisis being all "hallways and closed doors".
24. Pulse of community and campus is collaboration, small groups, clubs, and learning mentality.
25. Desire openness and flexible learning and community spaces.
26. Look at entry and entry identification in back where students/campus enter.
27. Less lockers or no lockers is desired. 50-75 total lockers currently utilized.
28. SHS has many teachers that float which is a burden on entire campus.
29. Close off entire library? Large group areas inside library?
30. SBAI, Spring Branch Academic Institute will need to be defined and PBK educated about this program.
31. Athletic facilities in dire need of renovations.
32. Both gyms and courts are in poor shape as are locker rooms.

1 | Page

flooring needs to be looked at and was noted to be in poor condition.
select hallways – look at versus usable SF and environment.
is not organized and ideal; would appreciate new signage.
Finance, Academy of Science and Engineering.
if a "Club" important to potential and current students attending.
Math are not adjacent to one another – look at program and layout of existing
clubs are numerous and well participated in; however a clear lack of storage on
against community feel – departments are all "isolated" and rarely interact.
and feel – too many interior hallways.
is to create openness to improve benefit "look and feel" doors facing common areas
is not others (such as social studies).
ys and hall entries/doors to be more flexible.
rovide multiple small flex areas and collaboration points with small groups, tables.
problems are prevalent. Electrical has gone down to half of school multiple times
in gym have gone out multiple times.
room conditions vary greatly.
g with T&B should be reviewed.
phy (related to art) journalism and business – Guthrie Center handles large
h as cosmetology.
ot organized ideally.
'If you could make a change at SHS what would it be?'
ition corridors and remove lockers to free up usable space.
e enlarged meeting area on site for use by various groups/sizes. Move voting
r? Signify prominence.
se positive reasons to visit SHS reaching lower socio-economic constituency (with
es, programs, group exercises, language, etc).
al collaborative spaces for students to harbor ownership and responsibility.
icing true needs of SHS in all areas of school vs excessively equipped auditorium.
ure to be appropriate for collaboration, reconfiguration.
ice security improvements interior and exterior to be effective and thoughtful to work
w/campus.
t up with same group and potentially additional individuals.

2 | Page

- **Playhouse** season ticket holders
- **Auditorium** is central to campus
- Need an **LGI**
- Need **offices** and **storage**
- Floating teachers
- **Secure** main lobby
- Feels too **institutional**
- Create **Counselor** suite

Meeting Minutes

<i>Project Name:</i> Stratford High School Renovations	<i>Meeting Date and Time:</i>
<i>Project Number:</i> 18148	<i>Meeting Location:</i> Stratford HS
<i>Owner:</i> Spring Branch ISD	<i>Owner's Designated Representative:</i> Kris Drasche
<i>Meeting Description:</i> SHS - Meeting with Principal #2	<i>Report Date and Author:</i> 1/22/2019 Max Buja

Stratford HS Campus Review

1. Introductions
2. Travis, Kris – P&C
3. Chad, Principal
4. D. White, Counselor
5. Pam, Assoc. Principal
6. Lynne, Director SB Institute
7. Valerie, 9th Gr Principal
8. David, Director Tech Theater
9. Kristi Schaper, CTE Teacher
10. William Hall, Math & Engineering
11. Shelby, Librarian
12. Project Scope-Roof, Turf Field, Auditorium, Major Renovations & Interiors work.
13. Classroom Furniture (Future Separate Project).
14. Current 750 seat auditorium. Request and need to keep current auditorium seating during construction.
15. 500 participants in current programs.
16. Previous events there have had folding chairs brought inside the space to allow for additional seating.
17. Plays are "extra-curricular" because of other programs that students participate in.
18. Heavy participation from community.
19. Theater, Orchestra
20. Several hundred season ticket holders.
21. Gala fundraiser this week for Theater Booster Club (multiple enormous events) compete against varsity football events.
22. Auditorium is central to campus use and highly used.
23. UIL hosted events – every UIL events for one act plays and large events.
24. No current multipurpose space at SHS. Use auditorium, library, or dining space therefore auditorium is commonly occupied.
25. Parent meetings that coincide with production, rehearsals, or other events. The set is there and this results in limited usable space within auditorium.
26. Medium sized space ideally would house 100-150 people (multi-use space).

On behalf of the entire **PRK** Team, we thank you for this opportunity!
 "Committed to Learning. Working Together. Enriching Lives." - SHS

Stratford High School Additions and Renovations

Rating of the Fact-Finding Items

- A Heavy Community involvement
- A School is a community "hub", constant activity on campus
- A Auditorium central to campus, highly used
- A Performing arts program very popular, equal to football
- B Several hundred season ticket holders for the Playhouse
- B UIL hosted events in the Auditorium
- A Front entry lacks presence towards street
- A Back entry is heavy used (students), front only visitors/ parents
- A Balance security with campus openness and student flow
- A School doors locked all day
- A No secure vestibule
- A 3rd gym/ training room exterior access only
- B School lacks clear way-finding
- Define school academies - not in this scope
- B Parents and visitors "lost" in campus
- A STORAGE FOR SPORTS (STUDENTS EQUIPMENT) ON MAIN FLOOR (E.G. GOLF CLUBS) - THEY HAVE TO USE THEM AT THE END OF THE SCHOOL DAY.
- A Accessible to all (auditorium / cafeteria etc)
- B Better parking out in the front of the building. There is never open parking for parents for pick up.
- A/C Enter around parking areas (Tr / Sr lots)?
- B Staircases - some open / some closed.
 ↳ better staircase in the cafeteria area - would look & function so much better

- B School lacks gathering areas
- A Incorporate large and medium instructional areas
- B Desire openness and interconnectedness across campus
- A Provide flexible and collaborative areas
- A Create spaces that harbor ownership and responsibility
- B Provide flexible furniture to enhance collaboration
- A Lack storage across campus (see below) → perhaps join storage / make a new space with the third gym (make it secure)
- A Need additional admin offices
- A Create counselor suite
- A Remove lockers, underutilized (50 to 75 units used) → use to create classrooms
- A 8 teachers are currently "floating"
- C SBAI (Spring Branch Academic Institute) specific needs
- A Several HVAC issues across the campus
- A Technology upgrades needed across campus

Additional Comments

A Technology & electrical etc

go together

perhaps join storage / make a new space with the third gym (make it secure)

A "if" they could "go anywhere" comment
 IF SBAI does not utilize the SPS staff why do they not use the space @ SPS? There is space (or was) at that campus & then the students are with their age peers & bus costs. Just curious...

Priority Legend

On the left of each Fact-Finding statement, please rate from A to B (A being the highest priority and C being the lowest priority)

- A = High Priority
- B = Medium Priority
- C = Low Priority

Architectural Process

Guiding Principles

Community Involvement for Success

Neighborhood Institution that offers opportunities to all and hosts a wide arrange of community engagements.

An Environment of Academic Excellence

Uphold and evolve higher educational performance through the introduction of versatile and flexible gathering areas.

A Place for Everyone

Create an environment that celebrates everyone and provides accessibility to all.

Safety Fosters Success

A secure campus that fosters an environment where students, teachers and staff can succeed.

A Culture of Tradition and Pride

Maintain the traditions that provide a sense of pride and honor to the school and community.

Priorities

Priority A

- Campus Security
- HVAC/ Tech Campus Enhancement
- Gathering Areas, Openness and Interconnectedness
- New Auditorium/ Community “Hub”

Priority B

- Remove Lockers
- “Floating” Teachers Issues
- Lack of Storage
- Counselor Suite

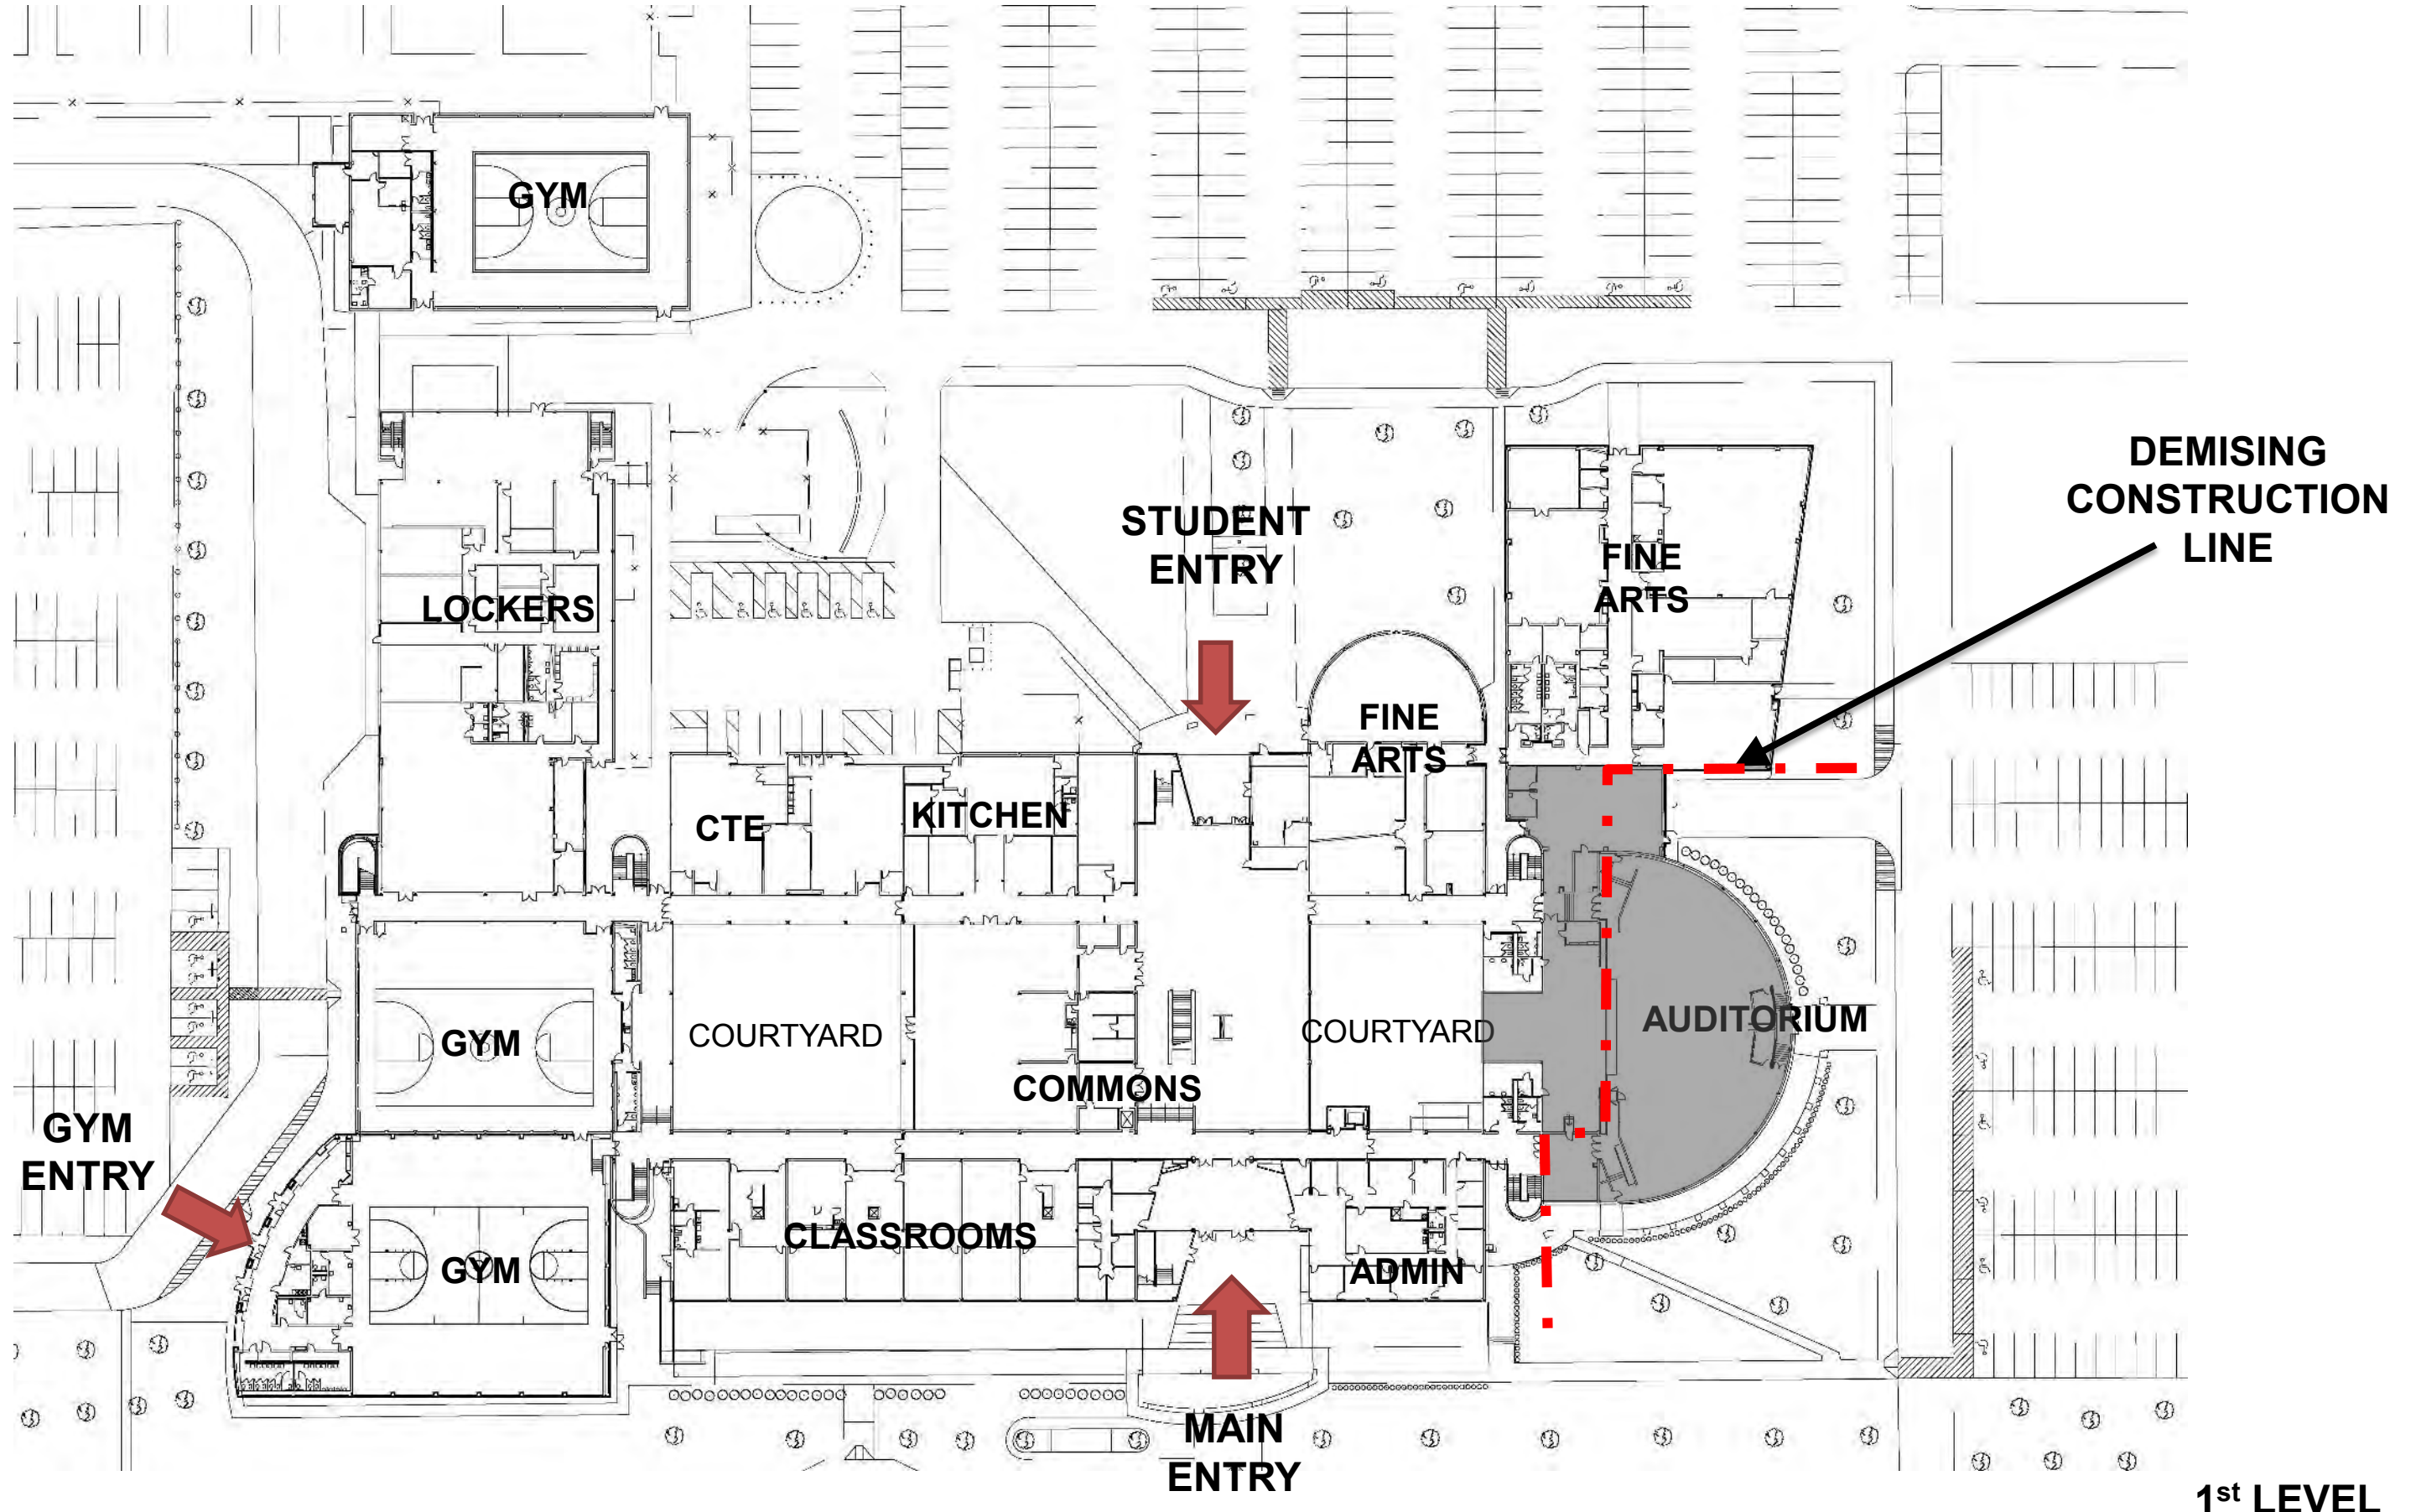

Priority C

- Additional Admin Offices
- Way-finding/ Academies
- Fix Stairs and Elevator
- SBAI needs
