

Welcome to 2nd Grade In Room 3

Dear Parents,

My name is Kelsey Kavulich and I will be your child's second grade teacher! Welcome to a new and exciting school year! I am so pleased to have your child in my class! I am truly thrilled to be a part of the Costello staff this year.

I would like to take some time now to share a little bit of information about me. I am a graduate of Troy Schools, so it is great to be back in the district! I currently live in Troy with my parents and brother. My brother graduated this year from Michigan State University where he will be pursuing medical school. (Go Green!) My undergraduate work was completed in Elementary Education at Western Michigan University and this summer I graduated from Saginaw Valley State University with my masters in Principalship/Administration. I taught kindergarten at Davisburg Elementary School in the Holly School District for the last two years. For 18 years I was a competitive figure skater which has naturally led me into enjoying the Red Wings. My family and I have two dogs, one is a three-month-old Pomeranian, Fred, and one is a five month old Yorkie, Ethel. They are a lot of work, but they sure bring a lot of joy into our lives.

I am looking forward to a great year together where we will be leaders, learners and critical thinkers. We will learn together and do a lot of deep learning. I am looking forward to meeting you and your child this Wednesday from 3:00-4:00pm. Please never hesitate to contact me with any questions or concerns. You can always email me or call me at school. I strongly believe in parent communication. My email is kkavulich@troy.k12.mi.us. See you on Wednesday!

Sincerely,
Kelsey Kavulich
