Alicia will be the Digital Literacy representative.

Minutes approved. Alicia motioned to approve. Kara seconded.

We are sending a paper around to get information from committee.

Nikki outlined our responsibilities for Community Council.

Bonnie: The teachers are very happy about the way our year has started. The extra aide time has really been helpful for improving writing.

Student Council: Michelle Baker is our new SEM. We just did get our Student Council chosen.

PTA: Has their movie night coming up. If it is successful we may do one in the spring. They are giving us \$750.00.

Principal: Reviewing the SIP. Our projected income will be finalized in October. We are planning on \$35,431.00. It could vary according to enrollment. First goal: Literacy – beginning to end of year measurement. Second goal: Literacy – 4-6 grade reading comprehension improvement. Goal #3 – STEM/Mathematics: Growth on SAGE & CRT: Software for math: ST Math, Imagine Math, SumDog, MobiMax. Goal #4 Questioning strategies-to increase higher level thinking skills.

Kay Lynn- I talked about iPad apps Explain Everything, Puppet Pals, Book Creator

An aide for Kindergarten: The state funded a little bit more of our math software so we would like to fund an aide for Kindergarten. One aide for morning and one for afternoon.

Sound systems – Review money in January.

Data presented: We are doing very well.

Parent and other Community Concerns: We need a Taylor Rep. for the Jr. High. Do we need to communicate earlier? We need more online information. Google doc for sign-ups. Online sign-ups for volunteers.

Apartments that are across the freeway. Can we get a carpool going?

Halloween Parade – So far parents are for it.
