Sample Bios

(These are just samples - do not make yours just like these, or they all look/sound the same.)

Sara Durham

Sara is a senior and is very excited to be a part of the fall production. Her list of stage successes includes *The Music Man*, *Singing in the Rain*, *Our Town*, and *Seussical: The Musical*. She is also a member of Encore. Aside from performing, Sara also likes to travel, write, and be with friends. She would like to dedicate her performance to God, Family and her Pink Ladies!

Daniel Jepson

Daniel is greatly anticipating this year's first production. He enjoys every aspect of the theater, from the stage to running sound! He has been in productions ranging from *Our Town* to *Singin' in the Rain* and looks forward to finishing high school with another great year of drama. Daniel wants to thank the amazing new leadership, parents, and God for this opportunity.

If this is your first show or you do not have much theatrical experience that is okay. Let people know it is your debut on stage. Let them know what you like to do outside the theater or how you came to be involved in the theater. Thank those that encouraged you to try the theater, or helped you prepare for your audition. If you have taken voice, dance or acting lessons, feel free to include that.

If you have a long list of shows you will need to pick the most meaningful shows or most significant roles that you have had.

Remember that you are sharing yourself with the audience in your bio and that you are representing not only you, but your family, the theater department and Cincinnati Hills Christian Academy as well.
