Board Meeting Highlights

Mission & Vision

After a year of Community effort the Board approved the proposed restatement of ISB's Mission and Vision for Community vote later this fall.

Construction Update

The Board conducted an inspection of the construction efforts and received a hands-on update of progress towards the completion of Phase I before the end of the year.

Inclusion

The Board approved the proposal to expand learning support at the school.

Head of School

The Board reviewed the Leadership's goals. The goals/key initiatives are well aligned with our School's Mission and our current strategic plan. The current strategic plan is coming to an end. The Board were provided with a preview of the strategic planning process and agreed with the path to refresh the strategic plan to include stakeholders (parents, staff and students).
