Minnesota Language Survey

Minnesota is home to speakers of more than 100 different languages. The ability to speak and understand multiple languages is valued. The information you provide will be used by the school district to see if your student is multilingual. In Minnesota, students who are multilingual may qualify for a Multilingual Seal upon further assessment. Additionally, the information you provide will determine if your student should take an English proficiency test. Based upon the results of the test, your student may be entitled to English language development instruction. Access to instruction is required by federal and state law. As a parent or guardian, you have the right to decline English Learner instruction at any time. Every enrolling student must be provided with the Minnesota Language Survey during enrollment. Information requested on this form is important to us to be able to serve your student. Your assistance in completing the Minnesota Language Survey is greatly appreciated.

Minneso Parents federal o	Schools are required to report ethnicity and race to the state and to the U.S. Department of Education. Because of recent changes to Minnesota state law, Minnesota disaggregates each category into detailed groups to further represent our student populations. Parents or guardians are not required to answer the federal questions (in bold) for their children. If you choose not to answer the federal questions (in bold), federal law requires schools to choose for you. This is a last resort—we prefer if parents or guardians complete the form. State questions are labeled as "Optional" and schools will not fill in this information for you.

2019-2020 Media Release Form

Dear Parent/Guardian:

District policy defines a student's photograph as "Student Directory Information" and thus is public information unless you provide the appropriate notification to the school district that you would not like this information to be public (see information at http://www.isd624.org/about/Forms.asp). If your child's information is public, for example, your child's photo and name would appear in school yearbooks and classroom publications. Also, should your student receive a public honor or recognition, the District would provide your child's school picture to the honoring organization and/or media upon request.

In addition, the White Bear Lake Area School District asks for your consent for the following purposes:

- During the school year, the media may visit your child's school, with school permission, to cover special events and may want to interview, videotape or photograph your child.
- The White Bear Lake Area School District and the District's educational partners may also wish to use your child's photograph, voice, likeness or student work for promotional and educational reasons, such as in publications, posters, brochures, newsletters and videos; on District and school websites; on local cable television channels; or at community events (e.g. Marketfest).

To give your consent, please sign this form, which will be kept on file in our SIS system.

The 2019-20 Media Release Form is valid for photograp through September 2020. Thank you for your cooperati	hs, voices, likenesses or student work recorded or created on.

White Bear Lake Acceptable Use Policy

By signing this agreement, I accept and agree to abide by the White Bear Lake Area Schools Electronic Technologies Acceptable Use Policy. I realize that the primary purpose of using School District electronic technologies is educational. I will limit my usage to educational purposes that further educational goals consistent with the mission and policies of the School District.

I understand that use of School District electronic technologies is a privilege, not a right. Access may be revoked at any time by the School District, as it sees fit. Inappropriate use will result in suspension or cancellation of use and/or access privileges; payments for damages and repairs; discipline under other appropriate School District policies, including suspension, expulsion, exclusion, or termination of employment; or civil or criminal liability under other applicable laws.

I will not use School District electronic technologies to engage in any behavior that is illegal, inappropriate, destructive or harmful.

I recognize that, even though the School District uses technical means to limit student Internet access, these limits do not provide a foolproof means to prevent access to all inappropriate information. It is my responsibility to avoid such information and inform my instructor immediately if I access any inappropriate information.

I understand that my use of School District electronic technologies is not private and that all of my activity, transmissions, documents, posts etc., are subject to review and monitoring by School District personnel.

I release the School District from any liability resulting from actions I take while using School District electronic technologies including unwanted financial obligations.

The School District may provide personal accounts for communication, document sharing and access to educational tools. Any access I am granted to personal accounts through the School District must meet all of these criteria, or my privilege of use will be forfeited.
