# General Statewide Enrollment Options Application for K-12 and Early Childhood Special Education

The General Statewide Enrollment Options Application for K-12 and Early Childhood Special Education is the required application for all Minnesota school districts. Please use this application for inter-district K-12 open enrollment and inter-district enrollment in Early Childhood Special Education (ECSE). Please use the Statewide Enrollment Options Application for State-funded Voluntary Pre-Kindergarten and School Readiness Plus for voluntary pre-kindergarten or school readiness plus open enrollment.

IMPORTANT NOTE: Do not disclose other information to the non-resident district until a seat is offered in writing. At that point, the district will request information such as special needs, birth date, race, ethnicity, academic and other records.

#### Minnesota Language Survey

Minnesota is home to speakers of more than 100 different languages. The ability to speak and understand multiple languages is valued. The information you provide will be used by the school district to see if your student is multilingual. In Minnesota, students who are multilingual may qualify for a Multilingual Seal upon further assessment. Additionally, the information you provide will determine if your student should take an English proficiency test. Based upon the results of the test, your student may be entitled to English language development instruction. Access to instruction is required by federal and state law. As a parent or guardian, you have the right to decline English Learner instruction at any time. Every enrolling student must be provided with the Minnesota Language Survey during enrollment. Information requested on this form is important to us to be able to serve your student. Your assistance in completing the Minnesota Language Survey is greatly appreciated.

Schools are required to report ethnicity and race to the state and to the U.S. Department of Education. Because of recent changes to Minnesota state law, Minnesota disaggregates each category into detailed groups to further represent our student populations. Parents or guardians are not required to answer the federal questions (in bold) for their children. If you choose not to answer the federal questions (in **bold**), federal law requires schools to choose for you. This is a last resort—we prefer if parents or guardians complete the form. State questions are labeled as "Optional" and schools will not fill in this information for you.

This information helps improve teaching and learning for everyone and helps us accurately identify and advocate for students currently underserved. The information this form collects is considered private information. You can review the privacy notice to learn more about the purpose of collecting this information, how it will be used and not used, and how the detailed groups were identified. The privacy notice can be found in our Frequently Asked Questions: Ethnic and Racial Designation Form.

## 2019-2020 Media Release Form

Dear Parent/Guardian:

District policy defines a student's photograph as "Student Directory Information" and thus is public information unless you provide the appropriate notification to the school district that you would not like this information to be public (see information at <a href="http://www.isd624.org/about/Forms.asp">http://www.isd624.org/about/Forms.asp</a>). If your child's information is public, for example, your child's photo and name would appear in school yearbooks and classroom publications. Also, should your student receive a public honor or recognition, the District would provide your child's school picture to the honoring organization and/or media upon request.

In addition, the White Bear Lake Area School District asks for your consent for the following purposes:

- During the school year, the media may visit your child's school, with school permission, to cover special events and may want to interview, videotape or photograph your child.
- The White Bear Lake Area School District and the District's educational partners may also wish to use your child's
  photograph, voice, likeness or student work for promotional and educational reasons, such as in publications,
  posters, brochures, newsletters and videos; on District and school websites; on local cable television channels;
  or at community events (e.g. Marketfest).

To give your consent, please sign this form, which will be kept on file in our SIS system.

The 2019-20 Media Release Form is valid for photographs, voices, likenesses or student work recorded or created through September 2020. Thank you for your cooperation.
