

Join Youth Entrepreneurship Society (YES)

Does your 5th grader have a great business idea? Is your student already running their own business? Or maybe they want to learn more about entrepreneurship?

We are super excited to invite 5th grade FTE budding entrepreneurs to join the Youth Entrepreneurship Society (YES)! Open to 5th-8th graders, YES will guide students through the most updated curriculum and practical applications over 10 weeks. Your student will learn a ton, and may even launch a business by the end of the series. Complete this quick form to express interest and stay tuned for details for our first meeting! <https://forms.gle/TR7aaYwo9yTP5Yzs9>

Contact Kim Allen at kjoyallen@hotmail.com, or Christie Schultz at christieschultz@hotmail.com, for questions or interest in volunteering as a mentor.
