

Control student loan debt with help from your employer

New services are designed to get you back on track

Did you know the average time to pay off student debt is 17 to 20 years?¹ Fortunately, your student loan debt doesn't have to prevent you from achieving your goals.

Your employer is offering services from FutureFuel.io that can help you pay off your student loans and build a brighter future.

Consider these options:

Repayment

Your employer can make a monthly contribution toward your student loan debt.

Refinance

Explore options to lower the interest you're paying on student loans and decrease your monthly payments.

Roll Up and Educate

Simplify the management of your student loans all in one place while staying up to date with educational content designed for you.

70% of students
graduate with
student loan debt.¹

It's easy to get started

You'll receive an email from FutureFuel.io with simple instructions for setting up your account. Then you can use these tools to help manage your student debt.

To learn more, talk with your Colonial Life benefits counselor.

If employees are unable to meet with their benefits counselor, they can reach out to their employer to find out how to get coverage during open enrollment.

This service may not be available in all states.
