

Minutes 02-21-2018

Attending: Mr. Laypath, Alicia D., Bonnie C., Rachelle, Emily D., Kara H., Nikki E., Kay Lynn S.

Minutes read and approved.

Carson & Ethan: Student Council is doing a skit during literacy week assembly. They came up with an idea for a poster in the classrooms to record books. Bonnie really liked the idea.

Still doing the ICU – Counting shoes for the Soles to Souls. The charity will come and pick up the shoes. They think that we got about 1000 pairs.

They are still working on Game Days & Safety Patrol

No PTA attendee today. The school play went well. Behavior was better with early morning practices than after school. What will we do next year? PTA would like to be phased out of sponsoring the school play. We may have sponsors from businesses next year.

Mr. Laypath: Teacher survey is in. Mostly time was used for Reading and Math. Aide in the classroom for some but most in the lab. Everyone love the extra time. Small group support was very helpful. Scale from 1-10: Would you spend Trustlands money on the extra aide support again next year? Average was 9 in support of continuing.

Nikki talked about the technology plan for next year. I discussed the Superintendent's vision. The teachers want Reflex math. Perhaps get parent volunteers to be "technology helpers" when the technology is being used in classrooms.

Benchmark Testing: We are coming up! Very good growth in all levels 3-6 with Dibbles and SRI.

Eastman Adams photo to be addressed in April.

Nikki motioned to adjourned, Rachelle seconded. Adjourned at 2:45.
