#### **Reserve for Economic Uncertainties**

Education Code (EC) Sections 42127(a)(2)(C) requires that any District that proposes to adopt a budget that includes a combined assigned and unassigned ending fund balance in excess of the minimum recommended reserve for economic uncertainties (REU) provide the following information at a public hearing prior to the adoption of their proposed budget:

- The minimum REU level required in each year identified in the budget
- The amount of assigned and unassigned ending fund balance that exceeds the minimum REU in each year
- Reasons for the REU being greater than the minimum

The District has prepared Form CB-1 located in the complete budget that meets the above requirements for the 2019-20 Adopted Budget
