

WICHITA | COLLEGIATE | SCHOOL

OFFICE OF THE HEAD OF SCHOOL

PLEASE JOIN MR. WASHER FOR COFFEE!

In his first year as Head of School, Mr. Washer would like to get to know parents and provide a platform for discussion and education on all aspects of school life. The coffee sessions will be a chance to not only hear about the latest happenings at school but a chance to ask questions of our Head. Apart from a few special dates, the coffees will be separated by division to most effectively discuss specific areas relevant to each age group. Specific topics will be identified as the year progresses and communicated in advance. The first few coffees are designed to get to know Mr. Washer and give him an opportunity to ask questions of the parents.
