

Grandparents' Day 2019 Fact Sheet

WHAT: A great start to the holiday season! A performance from St. Mary's Academy musical groups in the High School Forum followed by a breakfast for grandparents **(sorry, no parents or students)** including pancakes, sausage, juice and coffee in the Community Center (Duncan Commons).

WHO: All of our wonderful grandparents! **As much as we'd love to have parents join us, we simply do not have the room.** It's a day for SMA students to share their school and classrooms with their grandparents or special friend (aunt, uncle, family friend, etc.). Invitations were mailed to all grandparents for whom we have contact information earlier in October. Even if your grandparent did not receive an invitation, they are welcome to attend. **To RSVP, visit stmarys.academy and click on Support SMA → Community Events → Grandparents' Day.**
