## Stay Tuned

Hey!!!!

Parents/Friends:

This is our monthly newspaper which will keep you plugged in to events, classwork and things we could use help with in our class. WELCOME BACK! We really need your input, so if our monthly news issues are missing something please let us know. We want to write about info you actually need or want to hear about. We can best be reached by phone or email 734.759.5930 or [patters@wy.k12.mi.us](mailto:patters@wy.k12.mi.us)

As you know we are still in the warm season so our focus is always on what we wear in the summer and transition into fall clothing. Our class is a transition based room, so we like to keep a lot of the focus on daily living skills, vocation and self-improvement with a little common core mixed in to our daily routine. We will explain classroom operations and curriculum as the year passes.

For now, have a great month and we will talk Soon!!!!
