## Educational Talent Search

Enhancing Educational Talent, Encouraging Individual Success

Educational Talent Search is a **free** program that helps students prepare for their future after high school. ETS serves eligible students, in grades 6-12, prepare for and **attend a college of their choice**, including students who wish to attend 1-year Certificate programs, 2-year Associate's programs, and 4-year Bachelor's programs.

### About ETS

ETS is a federally funded TRIO program by the US Department of Education and hosted on the MSU Billings campus. All of our services are at **no cost** to students or their families. The resources are an investment in each student's future. The only cost to the student is a little time, dedication and a willingness to do their best!

ETS serves 600 students in Yellowstone County. Each SD2 high school has a full time advisor who assist students in their school. One ETS advisor serves middle school students in SD2.

### ETS Provides After School, Saturday & Summer Activities

ETS is a year round program that provides educational experiences for students that include college tours, STEM workshops, career awareness, ACT Prep, service projects, and parent assistance and much more. Click on this link to view upcoming activities <http://www.msubillings.edu/ets/calendar.htm>
