

Wingate University Transfer Admissions FAQ

What are the requirements to be admitted as a transfer student?

We look for a cumulative GPA of 2.5 from our transfer applicants. Once you've completed your [application](#) (it's free and there is no essay), you will need to submit an official high school transcript, official transcripts from any college or university you've previously attended, and a completed Statement of Conduct. If you have earned less than 24 credit hours at the time of submitting your application, then we will also need official SAT or ACT scores.

Do I need to send you my ACT or SAT scores?

If you have earned less than 24 credit hours at the time you submitted your application, then we will need official SAT or ACT scores. If you have earned more than 24 credit hours then we do not need test scores.

Are there scholarships available to transfer students?

Yes, every student at Wingate is awarded a merit based scholarship. For transfer students, this scholarship is based off of your cumulative GPA and ranges between \$15,000 and \$21,000.

What is the status of my application?

Email admit@wingate.edu - they will put you in touch with an available Enrollment Officer to go over the status of your application.

When will I receive my admissions decision?

Once your application is complete (we have received all of your official transcripts) you will receive your decision via email within two weeks.

What is the application deadline?

We offer rolling admissions so there is no application deadline. However, it is recommended that you have your application and all supporting documents (transcripts & statement of conduct) to Wingate a month before classes start. For Fall 2020 that would mean having everything submitted by mid-July.

How much does it cost to attend Wingate?

The cost to attend Wingate varies for each student and is dependent on what merit based scholarship you receive and what need based aid you receive. Once you've been admitted and have completed the FAFSA, we will be able to provide you with a financial aid estimator. This estimator will let you know how much it will cost for you to attend Wingate.

I received my financial aid estimator but have some questions.

Email admit@wingate.edu, they will put you in touch with an available Enrollment Officer to go over your financial aid estimator.

How will my credits transfer?

All credits will transfer as long as you are transferring from an accredited institution, the classes you've taken are at the 100 level or above, and you've earned a "C" or higher in the courses. Once you've been admitted to Wingate your transcripts will be given to our Registrar's Office where an official transcript evaluation will be completed. This evaluation will let you know the Wingate equivalents for each class you have taken. If you have questions about your transcript evaluation you will want to contact the Registrar's Office - registrar@wingate.edu.

If you are transferring from a NC Community College you can use our [transfer guide](#) to see the Wingate equivalents for the courses you are taking.

I've been admitted to Wingate University, what's next?

Congratulations! Your next step is to complete the [2020-2021 FAFSA](#) application when it opens October 1st. Once you've made the decision that you would like to attend Wingate, you will want to submit your \$300 enrollment [deposit](#). This will reserve your spot for Fall 2020.

What is the deadline for the enrollment deposit?

There is no deadline to submit your \$300 enrollment deposit. However, it is recommended that you submit it at least two weeks prior to classes starting. This would mean by the beginning of August for the Fall 2020 semester.

I've submitted my enrollment deposit, what's next?

Welcome to the Bulldog family! Orientation will contact you via email with your Wingate account information and details on what items to complete before your arrival in August.

Do I have to go to Orientation?

Yes.

Where will my housing be?

Transfer students are placed in first-year housing. Your roommate will be someone who is also a transfer student and similar in age to you.

When do I register for classes?

You will be able to register for classes at your orientation date.

Didn't find the answer you're looking for? Email admit@wingate.edu, they will put you in touch with an available Enrollment Officer to help answer your questions.
