

BHHS PTO Membership 2019-2020

Belonging to BHHS PTO is a great way to connect with the BHHS community – students, teachers, staff. Your \$30 membership contribution supports many school activities – helping to host and fund them so that everyone has a great experience. Your membership and involvement are vital to our success.

An additional donation would help the PTO to give out teacher and student grants which enrich the curriculum.

Your support is very much appreciated, and we look forward to a great school year!
