AUGUST 2019

VOLUME 13 ISSUE 1 www1.ccs.k12.in.us/chs/home

A MESSAGE FROM PRINCIPAL DR. TOM HARMAS

Welcome to the 2019-2020 school year. We are excited to begin a new chapter at Carmel High School with the senior class of 2020 taking the lead. We also extend a warm welcome to our new students and to the freshman class.

The opportunities to become engaged in activities at Carmel High School are enormous. We always encourage each one of our students to become involved in some way. With over 100 student clubs, performing arts, student government, academic competition, plays, musicals, and athletics, we have so many ways for each student to find his/her passion or just to explore during their time in high school.

We also encourage parents to become involved. Your child's high school years will be enhanced if you are active at Carmel High School, whether it is through the PTO, a booster organization, field trips, homecoming activities, or sharing your expertise with our students about career opportunities, there are also a multitude of ways for our parents to become involved.

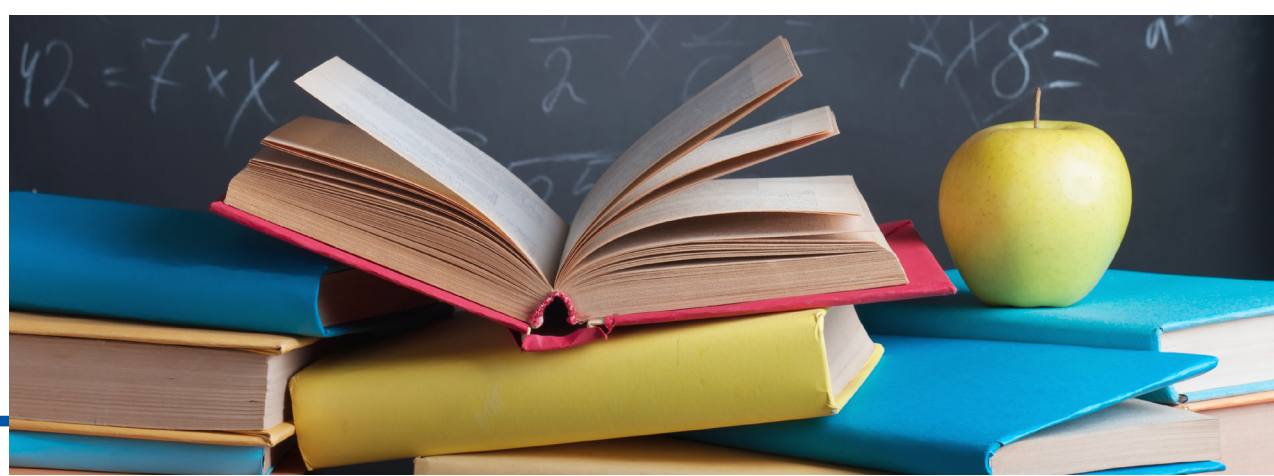

Construction workers have inundated the halls of Carmel High School during the summer. New terrazzo floors are being poured in several areas,

a new office site for a secured entrance at door 21 near the pool is being constructed, and the reconstruction for the explosion that occurred last December are all taking place. We look forward to all these enhancements being ready for our students return on August 13.

The registration process begins on August 7 for Seniors and Freshmen and on August 8 for Sophomores and Juniors. If you cannot make those dates, open registration takes place on August 9 and August 12. If you know of new families in your neighborhood with high school age children, please welcome them, share this information, and ask them to check in with our guidance department, or the appropriate school for younger children, if they have not yet registered.

We look forward to a wonderful year full of excitement surrounding all the wonderful accomplishments of our students and staff, and look forward to being partners with our parents in their child's education. We will continue to pursue our Culture of Care creating an environment where all members of the Greyhound family feel valued.

Sincerely,
Dr. Tom Harmas

CHS PTO Backpack Program Distributes Nearly 1,300 Backpacks

Approximately 1,500 Carmel Clay students participate in free and reduced lunch, including 10% of CHS students. The CHS PTO Backpack Program provides extra food on the weekends for Carmel students who need extra nutrition. Last school year, nearly 1,300 backpacks of food were distributed, along with \$9,825 in grocery store gift cards for Thanksgiving, winter, and summer breaks.

The Backpack Program relies entirely on donations and volunteers. In 2018-2019, program volunteers donated more than 1,000 hours of service to meet student needs. If you would like to pack backpacks, donate food items, give financially, coordinate a group food drive, or contribute grocery store gift cards, please visit the PTO website at www.ccs.k12.in.us/pto-chs/volunteer for additional information. Donations are accepted year-round and can be dropped off in the Freshman Center office (door #13) during school hours.

If you have questions about the program, please call Cindy Johnson at (317) 431-6126 or send an e-mail to CHSbackpackprogram@gmail.com.

Attention Seniors — Mark Your Calendars!

At the start of the 2nd semester, the Distinguished and Commended Graduate Application will be available to all Seniors. This program celebrates the well-rounded Carmel Greyhound. Approximately 125 students will be recognized as either commended or distinguished at our Carmel High School Graduation Ceremony. One extremely exceptional student will be recognized as THE Distinguished Graduate for the Class of 2020. Please take time to consider applying for this prestigious recognition. More details to follow in the coming months so stay tuned!

Skip-A-Final

Carmel High School students have an opportunity to participate in our Skip-A-Final program which allows them to skip one final exam per semester. At the end of a senior's graduating semester, they have the opportunity to skip all exams (with teacher approval).

Skip-A-Final is an incentive for exceptional attendance, good grades, and behavior. We recognize there are occasions when absences from school are necessary. Not qualifying for Skip-A-Final is not a punishment to any student, but is solely a reward for those who meet the requirements.

For full details of our Skip-A-Final program, please visit the Carmel High School website, click on Student Services, then Skip-A-Final.

A major function of this system includes the processing of your transcripts and recommendations for college applications. Counselors will be meeting with seniors in August to provide details on how to request your transcript, letters of recommendation and counselor reports for your college applications. 2019-2020 LILLY ENDOWMENT COMMUNITY SCHOLARSHIP APPLICATION

The Lilly Endowment Community Scholarship is a full-ride scholarship to an INDIANA college or university for students who demonstrate financial need, a commitment to community volunteerism, and leadership in their extracurricular activities. Carmel High School can nominate TWO students for consideration to the Lilly Endowment Community Scholarship committee.

Students selected from CHS must meet the following criteria:

- Be a Hamilton County resident (four students from Hamilton County will be selected as scholarship recipients.)
- Have a minimum 3.0 g.p.a.
- Demonstrate financial need
- Plan to pursue a full-time baccalaureate course of study beginning in the fall of 2020 at a public or private college or university in Indiana
- Demonstrate a commitment to community volunteerism
- Demonstrate leadership and/or initiative in their school, community, and/or extracurricular activities

Please note that if chosen as one of the two nominees, students will be expected to submit an additional online application, including essays identical to those asked in the CHS nomination application, as well as family financial information.

Students must apply online at <https://forms.gle/fSmVGNt4vR5oS2Vx5> by 3:30 p.m. on Friday, August 9, 2019. Questions should be directed to Melinda Stephan in the Counseling Office (mstephan@ccs.k12.in.us)

Please Note: in the past, Lilly Endowment Community Scholarship applications were not due until late October/early November, however beginning with the 2016-17 academic year, the deadline was moved up significantly by the Central Indiana Community Foundation. CHS must submit their nominations no later than August 16, 2019. In order to provide sufficient time for the nominating committee to review applications, the due date has been set as late as possible but unfortunately still falls before the 2019-20 academic year begins.

ACT & SAT

The first SAT and Subject tests will be August 24. The registration deadline is July 26 and the cost is \$49.50 without writing and \$64.50 with writing. You can register at the SAT website at www.collegeboard.org.

The first ACT test will be held on September 14. The registration deadline is August 16 and the cost is \$50.50 without writing and \$67 with writing. You can register at the ACT website at www.actstudent.org.

When registering, you will need to use our High School Code Number - 150445.

As a reminder, both the SAT and ACT registration process requires students to upload a current photo of themselves to assist with verifying identification on test day. Please make sure that the uploaded photo is an individual headshot of the student ONLY. Students who upload group photos will be denied access on the day of the test. The admission ticket is REQUIRED on test day in addition to a current government or school issued ID.

PSAT TESTING INFORMATION FOR INCOMING FRESHMEN, SOPHOMORES AND JUNIORS

The 2019 PSAT will be given on Wednesday, October 16 during the morning school hours. All freshmen, sophomores and juniors will take the PSAT. This test will be preparing students for the SAT exam. The cost of the test for sophomores and juniors is covered by the Indiana Department of Education. The test fee for freshmen will be included in the book fees and other charges billed to parents at the start of the school year.

Traffic

Dear Greyhound Parents,

Our traffic team is constantly looking at ways to improve traffic and pedestrian flow; increasing the safety of our students and saving you precious time. Here are a couple of items we need your assistance with:

MAXIMIZING FRESHMAN CENTER DROP-OFF LINE CAPACITY

As you pull up to Door 13 pull forward as far as possible before letting your children exit the vehicle. Many vehicles are stopping directly in front of Door 13 to let their children out. As a result, there is a considerable amount of space left open between that point and the stop sign. This is leading to a traffic back up on 2nd Street NE in the mornings.

DROPPING OFF STUDENTS ON MAIN STREET

Please, DO NOT let anyone exit your vehicle while on Main Street. We have seen an increase in drivers letting students exit vehicles on Main Street. This is a MAJOR safety hazard. We have had accidents and near misses caused by this over the last few weeks. We want to keep your children as safe as possible, and this must take priority over running a few minutes late.

Please feel free to reach out to me with any questions or concerns.

Parking Permits Required for ALL Student Drivers

To enhance safety of our campus, all students who wish to drive to school must hang a valid Carmel High School parking permit from their rearview mirror. For your convenience, students can immediately register for a parking permit online which will be available for pick up at Back to School Days/Registration. Students are highly encouraged to apply BEFORE Back to Schools Days/Registration, as there will be limited laptops available. Student drivers must have their permit properly displayed by September 3, 2019. Please note, this permit does not allow students to park on campus property adjacent to the school buildings. Applications are available on the CHS website (Student Services>Student Parking).

PARKING PERMIT FAQ

Why do I need a parking permit?

Parking permits allow administration and school resource officers to easily identify vehicles of students and those that do not belong on school property.

What if I do not have a parking permit?

If you do not register and properly display the permit by September 3, 2019, you may not park on campus. Students who park without a permit will be required to register for a permit and receive a parking violation per handbook rules.

What if I lose my parking permit?

Report to the Student Activities Office.

What if I start driving in the middle of the school year?

Once you are ready to start driving to school, please fill out

an application online and then report to the Student Activities Office. You should not start parking on campus until the permit is properly displayed in your vehicle.

What if I drive more than 1 vehicle?

You may register up to three cars with one permit for a single driver. The driver is responsible for moving the tag between the vehicles.

Can I let my sibling borrow my permit?

Each permit is registered to a single driver; however, if a sibling is driving the same car registered to the family nothing needs to be done. Siblings cannot share one permit if both are driving to school in two different vehicles.

What if I have a permit, but fail to put it in my car before parking at school?

You will receive a parking violation as outlined in the student handbook.

I have a parking pass to park adjacent to the school for a specific reason deemed appropriate by student services. (Ex: Senior CLASS award winner, medical purposes) Do I need to register a parking permit?

Yes, all students who drive to school must have a parking permit.

What happens if I park illegally, but I have a valid permit?

Students will receive a parking violation as outlined in the student handbook.

What does the handbook specifically say about driving at Carmel High School?

Parking on campus property, adjacent to school buildings, will be limited to staff and by permit parking only. Students may not park in any designated staff areas on campus. Please be respectful to private parking areas off campus and pay close attention to posted signs. Students who wish to drive to school may park their vehicles in the parking lot at the stadium on Smoky Row Road. ATTENDANCE OFFICE REQUESTING DOCTOR'S NOTES

The Attendance Office is requesting doctor's notes from students who are absent due to doctor's appointments or illness that requires medical attention. These notes are an important part of determining which absences count against the Project ACES program. Project ACES differentiates between excused absences with a doctor's note provided and those without one. Doctor appointments and illnesses without a doctor's note are still considered excused. However, when a doctor's note is provided, the absence does not count toward the ten absences allowed each school year by Project ACES. Students may turn in doctor's notes when returning to school or notes may be faxed to the attendance office at 571-7924. For information regarding our Project ACES attendance program, visit the Carmel Clay Schools website. Click on Support Services and Student Services, then click on Carmel Clay Schools Attendance Program.

INCLUDE CAMPUS VISITS IN YOUR COLLEGE SEARCH PLANS!

Campus visits are an excellent way for students and families to gather information about colleges and move closer to helping students find a good college fit. Parents are encouraged to help their student(s) plan visits to a variety of colleges and universities with the aim of providing exposure to a variety of campus environments (large/small, public/private, etc.) It is never too early to visit colleges, and often these visits serve as powerful motivators for students to strive to do their best academically and improve their candidacy for admissions.

Planning a campus visit is easy. Start by visiting the college/university website. Many visits can be arranged online, while others just require a call to the admissions office to set up the official visit. Most official visits include a campus tour as well as individual or group meetings with admissions representatives. Don't hesitate to ask if you can sit in a class, talk to professors/advisors, or talk to current students. The more information students can gather to make an informed decision, the better!

For more information about college visits, read our **College Campus Visits** quick guide in the Counseling Department Canvas Course.

BOBBY COX, CLASS OF 1975, HALL OF FAME INDUCTEE

Bobby Cox graduated from CHS as a part of the Class of '75, where he participated in Cross Country and Track and Field. After graduating from CHS, Cox attended Butler University, receiving his BA in PE & Health in 1979, his MA in Secondary Education in 1987, and his Administrative License in 1995. While at Butler, Cox was an active member of the Track & Field team, setting the six-mile record for the school in 1978. Bobby went onto

to be an integral part of athletics for Carmel-Clay Schools, serving as a teacher, coach, and athletic administrator for a combined total of 21 years. During these years, he established his presence in the district, overseeing all 54 athletic teams, 97 coaches, and over 1,100 student athletes while serving as Athletic Director of CHS from 1997 to 2000. He also served as an Athletics Director for Clay Middle School, when he was honored as the *District III Athletic Administrator of the Year* for junior highs and middle schools. Then, starting in 2000, Cox began administering football, boys' golf, boys' and girls' track and field, and wrestling as Assistant Commissioner of the IHSAA.

As Commissioner, Bobby introduced a partnership in "servant leadership", and initiated unprecedented ways to give back to schools and communities. Cox was a member of the National Federation of State High School Associations (NFHS) Football Rules Committee, serving as the Chairman of the Research subcommittee. In 2011, Cox began his role of Indiana High School Athletic Association (IHSAA) Commissioner. Regardless of the prestige of his achievements, his initiatives with Special Olympics and similar organizations that help those with disabilities participate in sports has arguably been his most impactful work. Combining both his love for athletics and his desire to give back to his community, Cox spearheaded the movement to create a partnership between the IHSAA and Special Olympics. This partnership, known as "Champions Together," was created on Dec. 17, 2012, and to this day, "Champions Together" continues to be an active organization at this high school and at many others. This partnership has helped the "inclusion revolution" in promoting Special Olympics throughout the state of Indiana.
