A MESSAGE FROM PRINCIPAL DR. TOM HARMAS

The 2019-2020 school year is well underway and I am so pleased with our start. As I confidently told our seniors, I am excited they have the opportunity and responsibility to continue to lead our school in a positive direction.

Our teachers join our students in that positive leadership by growing our Culture of Care initiative. Over 70 teachers incredibly volunteered to deliver Mindful Minute lessons to their SRT students. Our goal is to teach students to work within themselves to relieve everyday stress. We are also empowering our students by partnering with our school law firm of Church, Church, Hittle, and Antrim to create a presentation entitled "Stop Sexual Assault," which helps our students learn to make good decisions and reach out to a trusted adult if they, or a friend, need help. Currently students on our athletic teams, with parent permission, are attending the presentations. We will be expanding the presentation to some of our performing arts' groups, House of Representatives, and Senate. Education on this topic is a powerful tool our students will carry with them long after they leave Carmel High School.

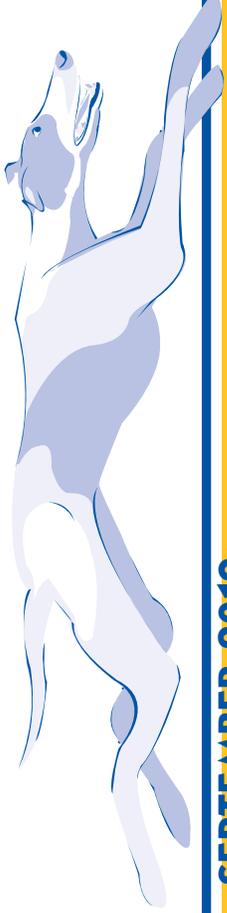

These initiatives are successful because of our parent support. We know the importance of the school-home partnership in the success of each student and thank all you who joined us for the PTO Open House. An open line of communication is essential for your child's success, so please ask questions, use Canvas, check Twitter, or read the PTO newsletter to keep informed on all that is happening at Carmel High School. Our successful partnership with PTO would not be possible without this year's officers. We greatly appreciate their dedication to the Carmel High School community. Thank you to:

- Lori Pasheilich President
- Open position. Vice President
- Marcia Ruderman. Secretary
- Lin Zheng. Treasurer
- Christine Ramsey Past President

If you were at Open House or have been around CHS, you have noticed that construction continues on the areas affected by last year's explosion. The pool has been refurbished, refilled and ready for swim team, swim club, and community use. We now have new flooring on several courts in the fieldhouse allowing our PE classes to have full use of that space. New flooring has been laid in the freshman gym and, in a few weeks, it will be ready for practices. Construction near the doors that lead to the pool lobby, when completed, will provide us the opportunity to implement the check in and check out safety procedures used at our other primary entrances. By late October, we hope to have all of these spaces ready for full use.

Thank you for working with us to provide a safe and supportive learning environment inside and outside of the classroom. I join you in excitedly looking forward to opportunities of this school year.

Dr. Tom Harmas
Principal

WEDNESDAY, OCTOBER 16 - TESTING FOR GRADES 9, 10 & 11 / SPECIAL PROGRAM FOR SENIORS

CHS freshman, sophomores and juniors will be involved in standardized testing during the morning hours of Wednesday, October 16. Information about the programming for seniors on that morning will be sent directly to parents of seniors in late September. Information about PSAT-9 and PSAT/NMSQT for sophomores and juniors is below. Students will attend classes that afternoon.

PSAT 8/9 TEST – WEDNESDAY, OCTOBER 16 (FRESHMEN)

The PSAT 8/9 is the first test in the SAT Suite of Assessments. It is closely aligned with the PSAT/NMSQT and the SAT. Student scores will establish a baseline for college and career readiness as students begin high school. The cost will be included in the book fees and other charges billed to parents later this fall.

PSAT/NMSQT TEST – WEDNESDAY, OCTOBER 16 (SOPHOMORES AND JUNIORS)

The PSAT/NMSQT is an important national test taken by college bound students. The test provides students the opportunity to check and monitor their progress toward college and career readiness. It also is an excellent way for students to preview and practice for the SAT. The PSAT/NMSQT also gives students access to a free, personalized SAT study plan created for them by Khan Academy. (Students must give their permission before the study plan is created.) For juniors, this test is the official route of entry to the National Merit Scholarship Program.

The PSAT test fee for sophomores and juniors is funded by the Indiana Department of Education. If you have any questions concerning the above testing programs, please contact your student's counselor.

CLASS OF 2020 APPLICATION PROCESS

Seniors— Counselors met with Senior SRTs on August 20 to provide details on how to request transcripts, letters of recommendation and counselor reports for college applications. You can review this process on the CHS Counseling Course within Canvas.

NAVIANCE STUDENT

The CHS Counseling Department will continue to use Naviance *Student* to assist students and their parents with college and career planning. Naviance *Student* serves as a one-stop-shop where students can research colleges, explore career options, sign up to participate in special programs, reserve a spot for an admissions rep visit, explore summer enrichment opportunities, create a resume, and more! Seniors will also use their Naviance *Student* accounts to request transcripts and letters of recommendation for college applications, as well as identify scholarship opportunities.

Informational videos and tutorial documents about Naviance *Student* can be found on the CHS Counseling website at <https://www.ccs.k12.in.us/chs/student-services/counseling>.

Greetings from the Freshman Center Counseling Office

Everything is off to a great start! Students have found their classes, schedules are complete and everyone is finding the lunch rooms and enjoying their "dining experience" in the Carmel Cafes. Life is good! The Freshman Center Counseling Office is located on the second floor of the Freshman Center in room J201. The phone number is 317-571-4621. You can reach the counselors directly through that number or by leaving a message with the secretary. We are looking forward to another great year!

Parents also know that every Gold Friday we are visiting Freshman SRT classrooms and playing our "Say My Name Game" sponsored by Jack's Donuts. Counselors, Administrators and other staff members are visiting six SRT classrooms each Gold Friday to challenge the class to know everyone's name. The first two students to pull this off will receive a long john donut and the class will receive donut holes thanks to Jack's Donuts. Ask your student if we have visited them yet?

COLLEGE ADMISSIONS REP VISITS TO CHS

Colleges from across the country are scheduling their visits to the CHS Counseling Center to talk with interested students. Students will find the schedule posted in their Naviance *Student* account and on the CHS senior hallway bulletin board. There will also be regular announcements and social media posts about the dates and times of these college rep visits. Any student who wants to meet with a rep must sign up through their Naviance *Student* account at least 24 hours in advance. The list of students registered for each visit will be sent to all SRT teachers on the morning of the visit, and this will serve as their pass out of class. The admissions rep presentations occur during the SRT period and usually take place in the Counseling Center unless otherwise noted. Meeting with various college representatives and listening to their presentations is an excellent starting point for students to gain a working knowledge about the various educational opportunities available to them after high school. Please encourage your students, no matter their grade level, to take advantage of these meetings.

The Indianapolis National College Fair will be held at the Indiana Convention Center on Tuesday, September 24 from 9:00 am to 1:00 pm. FINANCIAL AID RESOURCES

Financial Aid Night is October 22 at 6:30 pm in the CHS auditorium. A representative from INvestEd Indiana (www.investedindiana.org) will discuss the “how to’s” of completing the Free Application for Federal Student Aid (FAFSA) form and the differences between the various types of aid. Representatives from the Carmel Education Foundation (CEF) will be present to share details about their community scholarships, and Mrs. Stephan will highlight the scholarship and financial aid resources available at CHS. This is an excellent opportunity to find answers to your questions about paying for college. Information will be provided about both need-based financial aid as well as merit-based scholarships. Parents of current seniors are strongly encouraged to attend, but parents of students at all grade levels are welcome.

Reminder! The FAFSA application will open on October 1. The Free Application for Federal Student Aid can be completed online at www.fafsa.gov. The deadline to complete the FAFSA in the State of Indiana is April 15th. Please note that some colleges set earlier deadlines for FAFSA completion to be fully considered for available aid. The sooner you complete the FAFSA the better!

GET HELP COMPLETING THE FAFSA

Parents of Seniors who want assistance completing the FAFSA should plan to attend the FAFSA Completion Workshop on Tuesday, November 5. Financial Aid professionals from INvestEd Indiana will be available to help families complete the FAFSA no matter where they are in the process. The event will take place in the CHS Media Center from 10:00 am-1:00 pm and from 3:00-7:00 pm.

IU GROUPS STUDENT SUPPORT PROGRAM

Is your student a first generation college student (mom and dad have NOT graduated from a 4-year college) or does your family fall into a lower-income category (based on federal guidelines for family size)? If you answered YES to one of these situations, contact Mrs. Stephan in the counseling center to learn more about the IU GROUPS Program. This program provides additional support for your student to attend IU Bloomington and become a successful college graduate in the future. IU Groups Program applications for current seniors are due by November 1, so don't miss out on this opportunity!

Testing Information

SAT AND ACT COLLEGE ADMISSIONS TESTS

Your school counselors recommend taking both the SAT and the ACT once in the winter/spring of the junior year, comparing the results to determine the stronger score, and then retaking the stronger test later in the spring of junior year or early in the fall of senior year. A few highly selective colleges require the SAT Subject Tests. Talk with your student's counselor in the spring of the junior year about the SAT Subject and Advanced Placement (AP) exams. Remember, standardized testing is only part of all the information that colleges consider as they review a student's application.

Both the SAT and the ACT test offer an optional writing section for students. It is at the discretion of individual colleges whether they REQUIRE the writing section for admission. Please check with your colleges before deciding whether or not to take the writing test.

The preferred method of registration for the SAT and ACT is online. For the ACT, go to www.act.org or for the SAT go to www.collegeboard.org. Test dates are also available in the Counseling Course within Canvas.

Senior Meetings

During September and October, all seniors will have individual meetings with their counselors. Counselors and students use this time to review the student's academic record to ensure that a plan is in place for meeting all graduation requirements and to discuss the student's plans for next year, including college and/or career options. Students will receive information about how college applications are processed and how to find information about scholarships. Students who plan to apply to colleges with competitive admissions standards may be asked to supply extra information for their counselors to use as they write letters of recommendation to support the students' college applications. At this time, students will also be asked whether they plan to participate in commencement next spring. Parents should call their student's counselor with any questions or concerns about college planning or the application process. Please first refer to the information on our Counseling Canvas Course under "Resources".

Changes in AP Exam Registration and AP Course Resources

College Board has put new processes in place this year for students enrolled in Advanced Placement (AP) courses. Specifically, students will have access to new AP course resources offered by the College Board, and AP exam registration will take place during the fall semester rather than the spring semester. Over the course of the fall semester, students and parents will receive detailed email messages outlining the steps students need to take to make sure that they are prepared to take AP exams during the weeks of May 4th and May 11th. With this in mind, please make sure the school has your most updated email for communication. Please note, students who are enrolled in spring-only AP courses will register for their exam(s) during 2nd semester (more information about this will be sent out at a later date).

CHS Band & Cross Country Teams Conduct Food Drive for Students

The CHS Marching Greyhounds and the CHS Boys and Girls Cross Country teams conducted food drives to benefit the CHS PTO Backpack Program. The program provides food on the weekends for Carmel Clay students who need extra nutrition. Last school year, nearly 1,300 backpacks were distributed over 37 weeks. Special thanks to band members and runners whose combined effort helped to stock the shelves at the beginning of the school year, enabling us to assist additional students and families.

The Backpack Program relies entirely on donations and volunteers. If you would like to assist with packing backpacks, donate food items or grocery store gift cards, give financially, or coordinate a group food drive, please visit the PTO website at www.ccs.k12.in.us/pto-chs for more information. Donations are accepted year-round and can be dropped off at the Freshman Center office (door #13) during school hours.

Please e-mail CHSbackpackprogram@gmail.com or call 317-431-6126 for additional information or with any questions.

2020 Pinnacle Yearbook Orders

The only way to guarantee a copy of the yearbook for your student is to pre-order it, so it is essential to order in advance.

To make the ordering process as simple as possible, yearbooks should be ordered ONLINE! Visit www.yearbookordercenter.com and search for school code #17177. Individuals who prefer to pay by check may pick up an order form during registration, but all payments must be sent via mail, as we are unable to accept them in person during registration.

The *Pinnacle* yearbook is an entirely student-produced, nationally award-winning publication. Don't miss your chance to reserve a copy! Yearbook distribution is tentatively scheduled for May 2020.

SENIOR YEARBOOK PHOTO DEADLINES & REQUIREMENTS:

To appear in the 2020 *Pinnacle* yearbook, senior composite and the printed commencement program, seniors must have their photos taken by Prestige Portraits, the official CHS photographer, no later than OCTOBER 9. Students must choose their yearbook portrait by that date, as well, so plan accordingly!

To schedule an appointment, contact Prestige Portraits at 317-564-2592 or visit <https://booknow.appointment-plus.com/yclxq4j4>. Additional information can also be found at prestigeportraits.com. Senior yearbook headshots must be taken at their studio location; other photos may not be used in place of senior portraits. Students are required to adhere to the CHS dress code for their yearbook pose.

Please note: While Prestige Portraits offers expanded portrait session packages, they do not require students to purchase photos and students may take additional portraits elsewhere. The yearbook headshot, however, **MUST** be taken by Prestige Portraits.

- Prestige Portraits is located at 2325 Pointe Pkwy. #140; Carmel, Ind.

Senior Yearbook Ad Information

Senior personal ads in the *Pinnacle* yearbook are a unique and lasting way to congratulate graduates and celebrate friendships. These are often given as gifts and tributes to a special time in your student's life, and are a creative and personalized part of any graduate's yearbook.

All senior ads will be in color, and will be custom designed by yearbook staff students to match the tone and theme of the 2020 *Pinnacle*. We do not accept pre-designed ads. For legal reasons, we will need a release form for any professional photos you plan to use in your ads. Please contact your photographer in advance for this document.

Yearbook ads are for seniors only. We are unable to accept ad orders online, so please use the attached order form, which is also accessible at www.carmelyearbook.com. Please make checks payable to CHS Yearbook – all materials must be provided at the time of order; space will not be reserved without ALL materials (order form, payment, photos, professional photo release).
