Dear Parent/Guardian,

We are excited to inform you that Britton has enrolled with STOPit!

[STOPit](#) is an online reporting tool designed to deter and mitigate bullying, cyber abuse, and other inappropriate behaviors, consisting of an app and a back-end incident management system for school administrators.

Our students will have access to the STOPit mobile app, which has two simple but powerful features.

**Report** can be used by students to report incidents to school contacts anonymously.

**Messenger** can be used to engage in anonymous two-way communication with school contacts.

Both Report and Messenger empower students to stand up for themselves and for one another. Students have the power to help put an end to harmful and inappropriate behavior they see online through social media and other means. They can use STOPit to reach out for help if they or a peer are facing a personal crisis or experiencing bullying, abuse, or are otherwise in need of assistance. Our goal with STOPit is to create safer, kinder, school communities both online and off.

No student information is needed to use STOPit. The only way personally identifiable information will be accessible through STOPit is if a student voluntarily includes it within the content of a report or message.

Both our school and STOPit are committed to protecting the privacy of student data. You may review STOPit's [Privacy Policy](#) for details, including more information on how anonymous reporting works.

Please note that we will be sharing information about Stopit with our students during Advisory and also through BrittonTV. At that time, your child will be invited to download the STOPit app from the app store on his or her smartphone or tablet at no charge.

Please login to your mobile app store and download STOPit. Our Sign In Code is: **BrittonStopIt** or you can scan the attached QR Code.
