

# DASH ROBOTICS CLUB

1<sup>st</sup> and 2<sup>nd</sup> Grade Students

Come join us for our after school Dash robotics program. We will have fun learning beginning coding while developing problem solving skills and making new friends. We will learn how to make a program on an iPad to enable our robots to accomplish tasks such as moving through a maze, moving around objects, drawing pictures, and acting in our very own stories! This 6-week club will be a great opportunity to increase our technology and STEM literacy skills that Kay's Creek prides itself in! Space is limited. We can't wait to see you there!

Kay's Creek  
Dash and Dot  
Robotics Club

\$30

Please pay on  
mysd  
Registration  
Includes a  
STEM Club  
T-Shirt

Thursdays  
3:30 - 4:30

Dates:  
October  
3, 10, 24  
November  
7, 21,  
December  
5

I give my permission for \_\_\_\_\_  
to participate in the Dash Robotics Club. I understand that my child  
will need to be picked up from school and not walk home as there  
are no crossing guards available. I also understand that my child is  
expected to follow school rules and procedures during the club, if  
they are unable to do so, they will be unenrolled and the  
registration fee will be forfeited.

**Child's Shirt Size (Circle One):** Small Medium Large
