

LEGO CLUB

1st and 2nd Grade Students

Are you interested in creatively building projects to solve problems? Then LEGO Club is the right place for you! During the course of this 8 week club we will explore ways to build stable structures, create vehicles and simple machines to solve problems, and get our creative juices flowing as we build creatively and present on our different solutions. This is a great opportunity to learn, make friends, and have fun! Space is limited.

Kay's Creek LEGO Club

\$30

Please pay on
mysd
Registration
Includes a
STEM Club T-
Shirt

Tuesdays
3:30 - 4:30

Dates:
October
1, 8, 15, 22, 29
November
5, 19, 26

I give my permission for _____ to participate in the LEGO Club. I understand that my child will need to be picked up from school and not walk home as there are no crossing guards available. I also understand that my child is expected to follow school rules and procedures during the club, if they are unable to do so, they will be unenrolled and the registration fee will be forfeited.

Child's Shirt Size (Circle One): X-Small Small Medium Large
