This parent group is an informal opportunity to meet other parents and to feel a closer connection to Wing Lake. We meet monthly to discuss "hot topics", share resources, offer support to each other, and to just have fun! **We welcome all new families to attend!**

Coffee, Tea and Refreshments will be provided.

Come for food and fun!
Hope to see you there!

IEP Invitations and Draft IEP's

We wanted to let all of our parents/guardians know that IEP Invitations, along with Procedural Safeguards, will be sent home via email beginning this year. Additionally, teachers will be sending home draft IEP's for your review ahead of the meeting. Thank you for reading and responding to your child's teacher and ancillary staff members as emails come through. We pride ourselves on fantastic two-way home/school communication!

On Thursday evening, a group of parents and staff celebrated the lives of Barb Maria (former parent/volunteer) and Alexandria Barch (former student), both whom have passed away in the last year. Alexandria's family donated a beautiful bench to the Memorial Garden and has offered to continue Barb Maria's garden work along with the Wing Lake Garden Committee members.

Drop off and Pick up Procedures -

Effective immediately, in order to maintain students' confidentiality and assist classrooms with maintaining routines, while limiting disruptions, please plan to drop off and pick up your child from the school lobby. Please stop in the office to let Marilyn and Kim know you are here. Staff will then come down to the lobby to drop off/pick up your child. This change also helps us with building safety/security by making sure the office is aware of who is in the building.

Additionally, please send a note/email or phone call if you will be picking up your child early! Thank you for your help!
