Legacy Scholarships

For Student Teachers

Establish a Legacy Scholarship to reflect your own passion for teaching or to honor a family member or friend who made a difference in education

A great teacher is the single most influential school-based factor in student success!

One way we recruit student teachers is by providing a limited number of \$500 scholarships to offset financial sacrifices made during the student teaching semester, when student teachers typically quit their jobs to teach full-time in our classrooms.

We invite you to partner with us in our efforts to fund more scholarships and to find the best student teachers for Davis School District.

For \$500, your scholarship will reward a student teacher during either fall or spring semester.

For \$1,000, you will provide a \$500 scholarship to a fall student teacher and a \$500 scholarship to a spring student teacher.

To establish a scholarship, visit the **Legacy Scholarship** link on the **Professional Learning & Quality Staffing Department** webpage

(www.davis.k12.ut.us).

Legacy Scholarship donors are invited to our awards event on Wednesday, October 23, 2019, at 4:30 p.m. at the district office in Farmington.
