

WEST BOUNTIFUL ELEMENTARY VEX ROBOTIC COMPETITION TEAM

We are happy to announce that we plan to have a Vex Robotics Competition Team!

Our team will meet every Wednesday from 3:30 – 4:30 pm beginning October 2nd. Mrs. Pollard and Mrs. Earnshaw will be leading our robotics team! Students must follow all directions from the teachers and all materials must be cared for properly.

Class size is limited and forms will be accepted until Wednesday, September 25th. We will then do a lottery drawing to determine who is accepted on our competition team. Students will be notified by Friday, September 27th, if they were accepted.

We're toolmakers. Solution providers. Problem solvers.

The world currently faces an **unprecedented need for new innovators, thinkers, and problem solving leaders.**

Please contact Mrs. Pollard or Mrs. Earnshaw with any questions:
gpollard@dsdmail.net or searnshaw@dsdmail.net

Please return this portion of to Mrs. Pollard by Wednesday, September 27th.

Student Name _____

Parent Name _____

Teacher Name _____ Grade _____

I understand that if accepted I will commit to coming to meetings every Thursday morning. Parents must transport students to the two competitions in December and February. _____

Parent signature
