Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2016-17 educational progress for the Lincoln Center. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Program Administrator Lauren Feigel for assistance.

The AER is available for you to review electronically by visiting the following web site <http://www.wyandotte.org/tlc/>, or you may review a copy in the main office at your child's school.

For the 2016-17 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels due to the state's decision not to include special education center programs in the status labels. However, we continue to strive to improve student progress and achievement in reading and language arts, math, and science.

The state requires that we also report the following additional information.

1. School Assignment: Students are referred to The Lincoln Center by their resident district's director of special education. The Lincoln Center serves the 17 downriver school districts and PSAs.
2. School Improvement Status: The Lincoln Center staff meets regularly in school improvement committees and believes in the process of continuous improvement. Our school improvement plan incorporates the Michigan Common Core Essential Elements for language arts and math. For the 2016-2017 school year, The Lincoln Center continued the special education center program of instructional materials and standards, the Unique Learning System, which addresses the state standards, assistive

It is the policy of the Wyandotte Board of Education that no person shall, on the basis of race, color, religion, national origin or ancestry, sex, age, disability, height, weight, or marital status be excluded from participation in, be denied the benefits of, or be subjected to discrimination with respect to any educational program, activity, or employment.

technology, Engineering the Classroom for Communication, and school-wide Positive Behavior Intervention Support (PBIS) programs to support the school improvement plan. The school also implemented Wayne RESA's Common Core Essential Elements for all students K-12.

3. School Description: The Lincoln Center is one of three special education center programs in Wyandotte. The Lincoln Center serve students ages 5 through 26 years old. Students attending The Lincoln Center have a disability of Autism Spectrum Disorder, or a dual diagnosis of Cognitive Impairment and Emotional Impairment.
4. Curriculum: To access a copy of The Lincoln Center core curriculum, go to <http://www.resa.net>. Click on Curriculum and Instruction, in the drop down menu click on Special Education Curriculum and go to the Teacher Tools in that drop down menu. You will be able to see the At-A-Glance Common Core Essential Elements for reading and math. The Common Core Essential Elements are for special education students who participate in an alternate state assessment.
5. Student Achievement: Student achievement is measured in numerous ways by The Lincoln Center staff. All of our 3rd-8th and 11th grade students participated in Michigan's MI-Access assessments. In addition, a variety of assessment tools are used to evaluate student progress throughout the year, including Brigance Inventory, MISD, ULS pre/post tests in reading, math, social studies and science, ESTR transition assessment, and others.
6. IEP Conference Data: The 2016-2017 school year data shows 85% of The Lincoln Center parents attending the annual parent/teacher IEP conference.
7. The staff, students, and parents at The Lincoln Center believe in working together to ensure academic growth, functional achievement, and success for our students. The Lincoln Center Mission Statement embodies this belief: ***Educate Inspire Empower***

We will continue to focus on our use of data to drive academic and behavioral instruction, implementing the strategies to increase students' achievement in the Common Core Essential Elements, and providing exciting and challenging opportunities for all students. We will also continue to develop, implement and evaluate our school-wide positive behavior intervention support program; presenting our students with events and assemblies that help to foster a positive and safe environment.

Sincerely,

Lauren Feigel
