

EPHS Seniors,

Welcome to the 2019-20 school year – your final year at Eden Prairie High School. My hope is that your time here at EPHS has helped you build lasting relationships, explore your passions and interests, and grow as a lifelong learner.

As you prepare for life after high school, I encourage you to make the most of every moment. Please know that our excellent teachers, counselors, and support staff are here to help guide you and answer your questions each step of the way.

Below we've included important dates throughout the year to mark on your calendar, culminating with graduation in June—I can't wait to shake your hand as you walk across the stage. Please don't hesitate to reach out if there's anything we can do to help you succeed.

Best of luck this year and Go Eagles!

Principal Robb Virgin
