

EXPLORING™
DISCOVER YOUR FUTURE

Attention High School and College Students: Discover your Future and Join Exploring Now!

Exploring is a unique career exploration program for young men and women ages 14 - 20. The program provides students with an opportunity to learn about a wide variety of career fields and network with professionals already working in those fields.

- ⇒ Get hands-on experience to determine whether a particular career is right for you
- ⇒ Develop valuable networking contacts with professionals working in that field
- ⇒ Get to know other youth with your same interests and aspirations

Exploring is the first step in identifying career possibilities while having fun in an exciting and informal environment.

HOW DO I JOIN?

Minsi Trails (who runs the Explorer Post program) requires a youth application and application fee for all students. No additional expenses will be incurred throughout the year. A youth application can be downloaded at www.exploring.org or you can fill out an application at an open house. Please make checks payable (\$41 or \$35 for returning students) to Minsi Trails or bring exact change.

See reverse side for open house dates. For more information contact Lori Wehr at lori.wehr.scouting.org.
