LifeCourse Planning Tools

19-20

Charting the LifeCourse, a universally-designed person-centered planning framework, is a tool to assist individuals and families of all abilities and ages to develop a vision of a good life. Participants in this hands-on learning session will understand the importance of person-centered/futures planning, become familiar with the LifeCourse tools, and how to use them to support the development of the IEP and Transition Planning.

9:00 a.m. to 3:00 p.m.
(8:30 a.m. registration)

Bring any snacks and/or lunch as there is no food service available for this workshop.
