OCTOBER 27, 2019

9:30-4:00 P.M.

ADANTI STUDENT CENTER BALLROOM
SOUTHERN CT STATE UNIVERSITY
345 FITCH ST. NEW HAVEN, CT

The morning will include a series of presentations on vocational options and college programs. After lunch a series of workshops will focus on transition to jobs/vocational schools for students and supporters, one for students interested in college programs, another for parents interested in college. Information on transition planning and programs as well as a final session on transition issues for the entire group. The focus will be on practical and helpful information and ways to access resources and supports and strategies for success.
